# BAY STATE

On August 29, fifty-five candidates, headed by Captain Dave Morgan, reported to have their physicals and to draw their equipment. Mr. Hoague and Mr. Bennett then talked with the squad, telling of their plans for the coming months, and everyone knew that the 1957 football season was, at last, under way.

Gradually it became evident who would be on the first unit which was to open the season against Milton. At center, to the surprise of no one, was Captain Dave Morgan. A 33-13 victory put Natick in the win column early in the season. On October 5, Natick met and defeated East Providence, on October 12 at Braintree a stiffer contest found us again victorious. Then followed wins over Needham, Dedham, North Quincy and Norwood. The postponed Wellesley game was played November 23, just five days before the Framingham game.

Once again it was Thanksgiving. The big Red and Blue really had its work cut out for it. Not only was a fifteen year win streak against Framingham on the line, this team was trying to make it an undefeated season and win Coach Hoague his fiftieth victory.

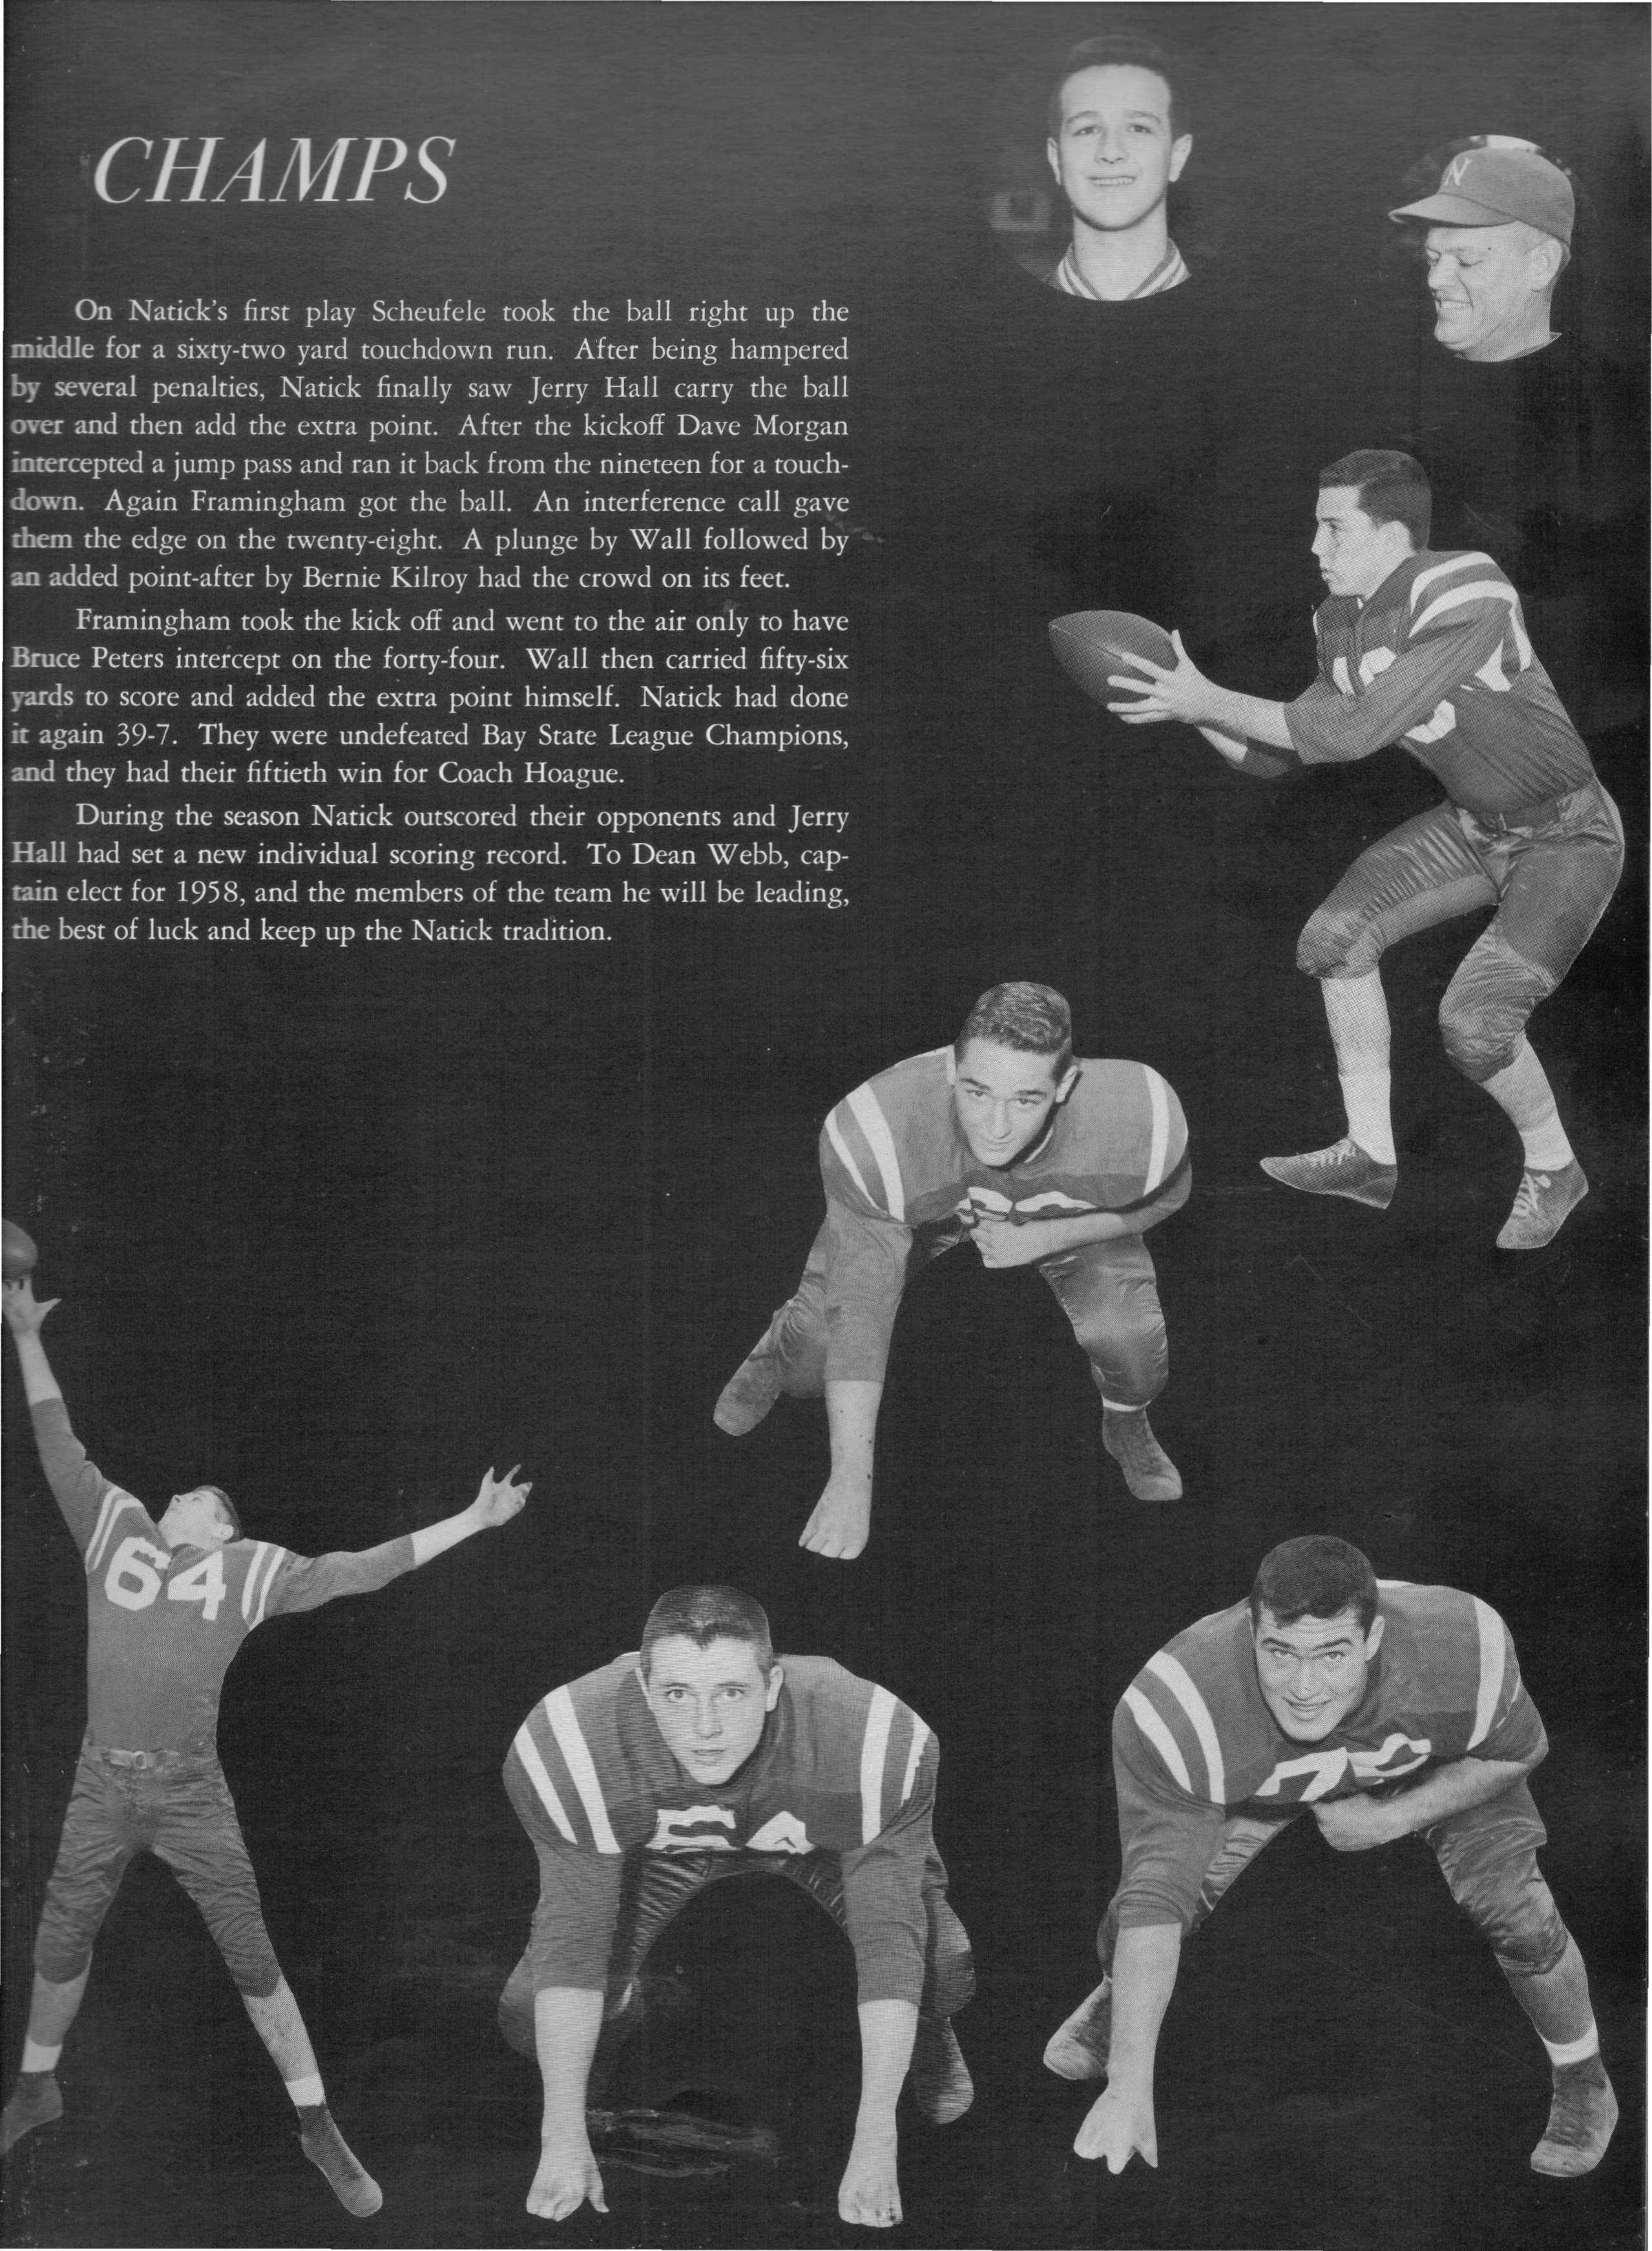

# CHAMPS

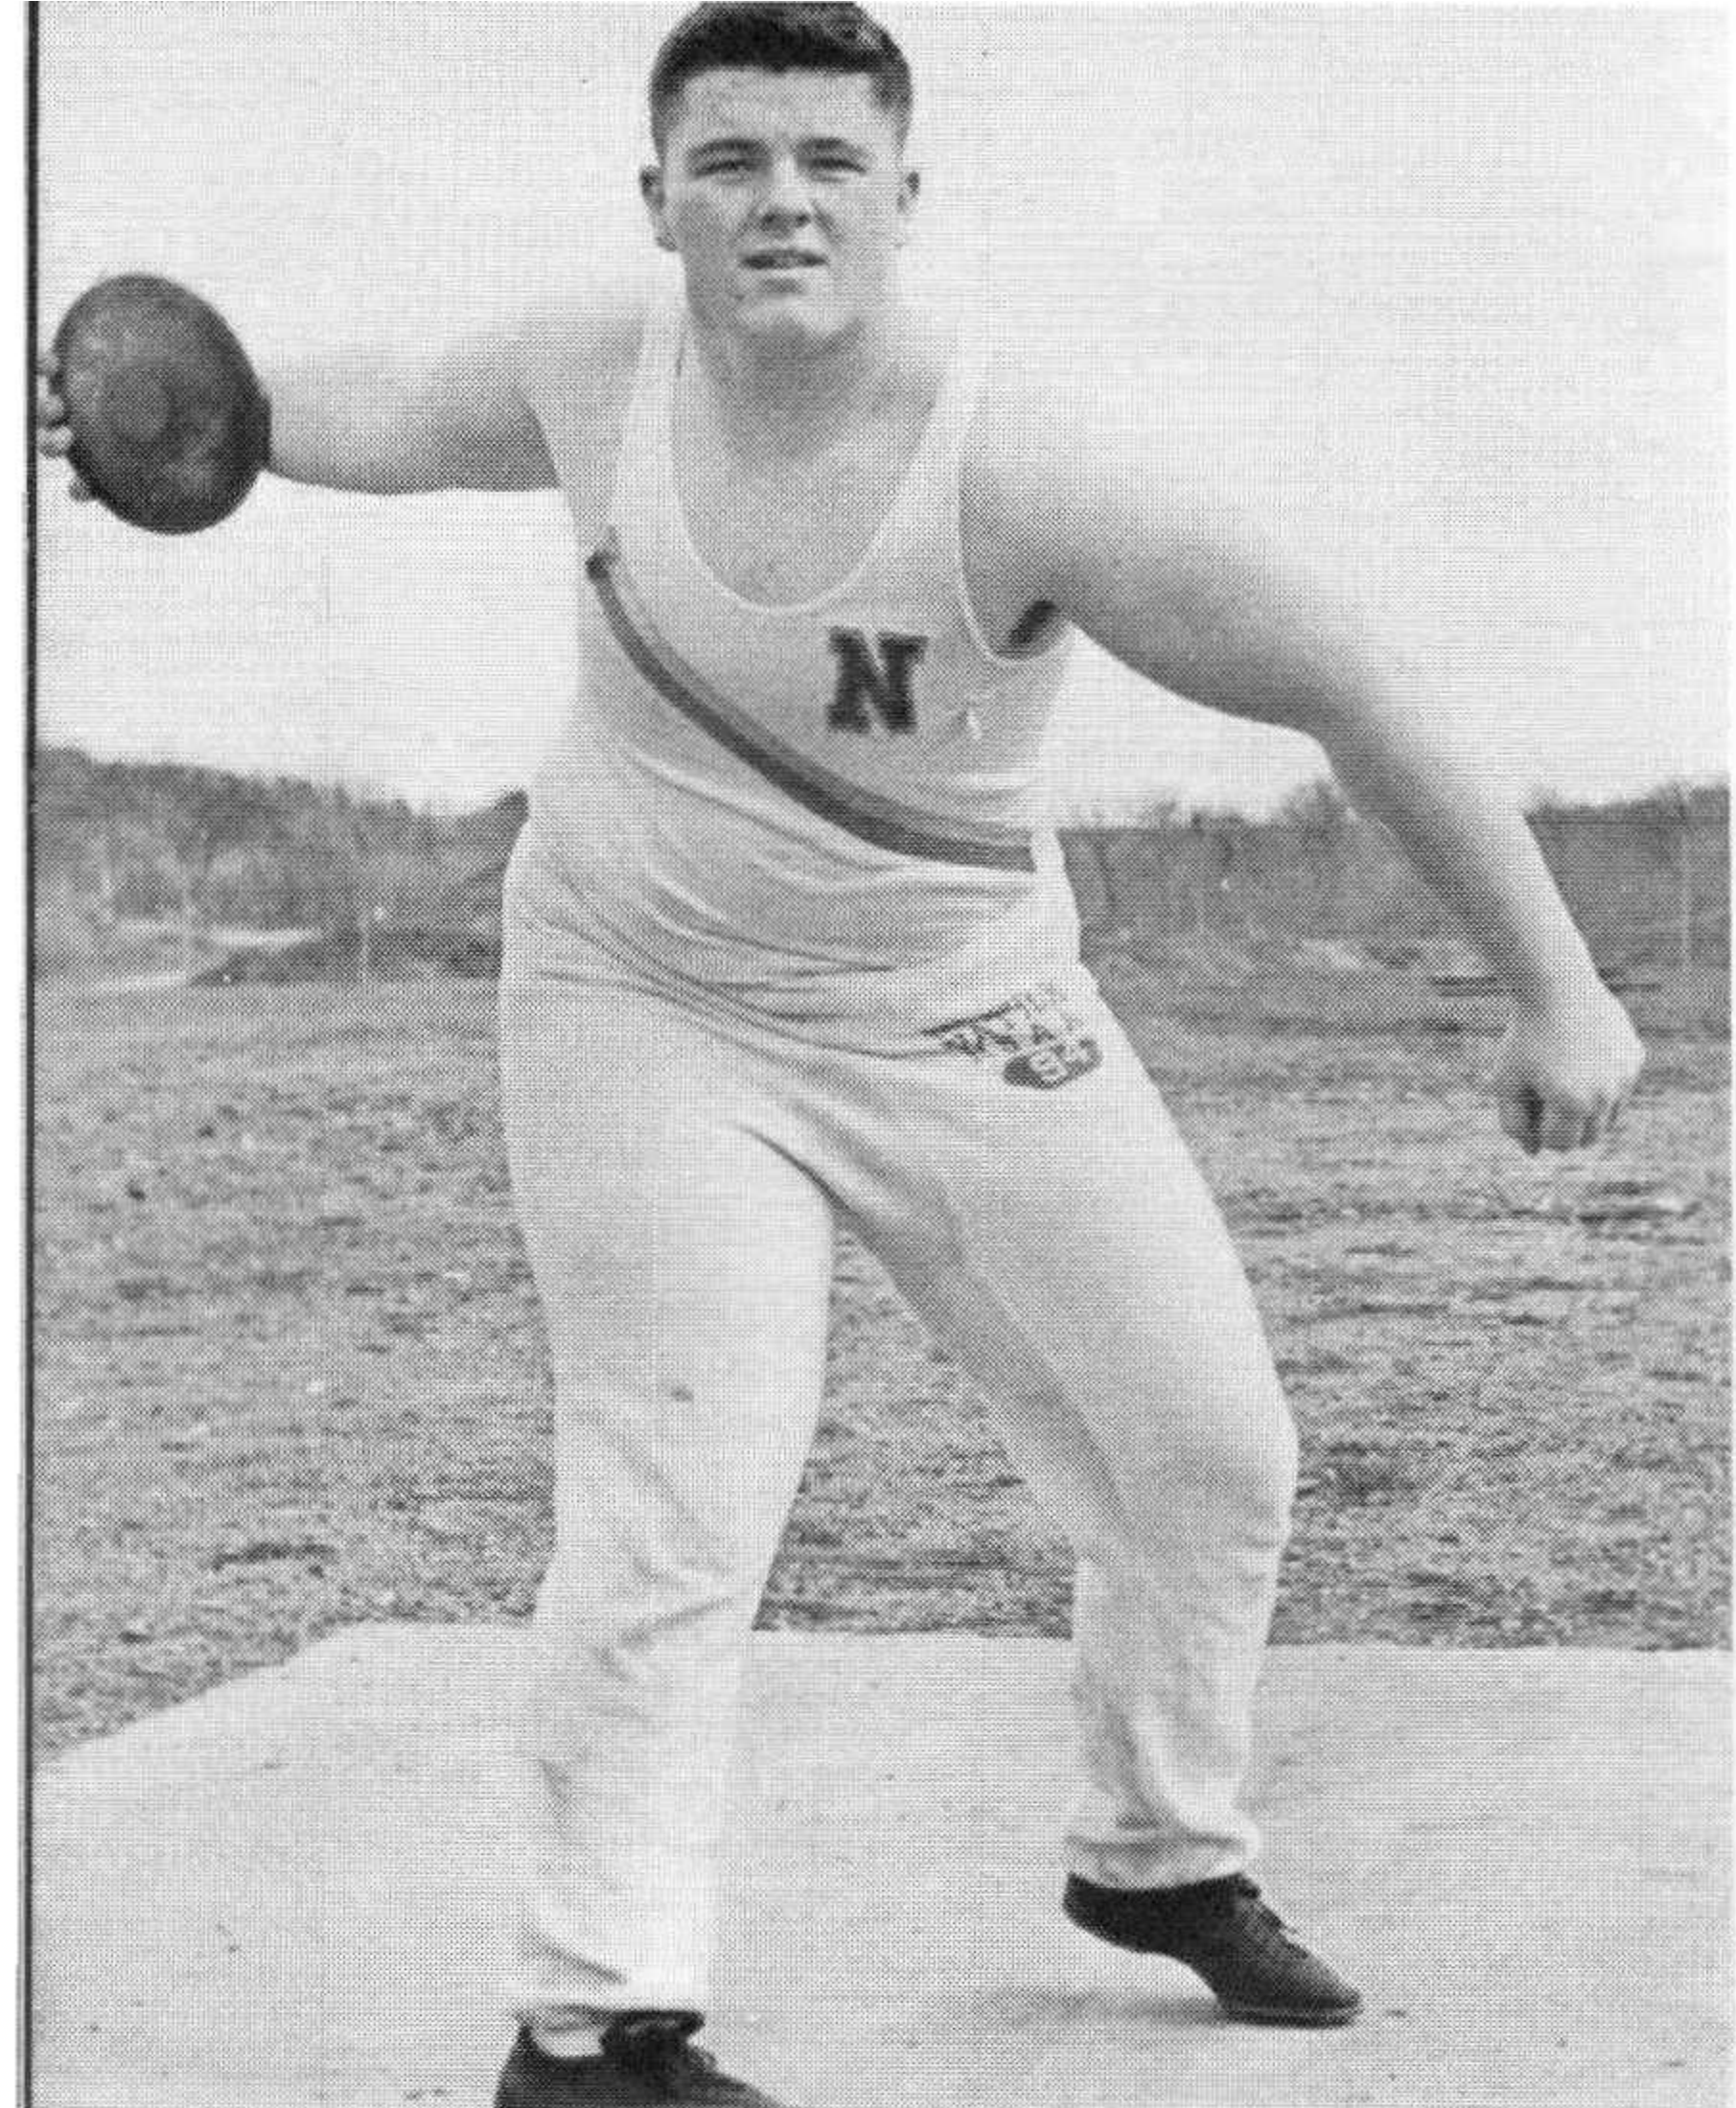

On Natick's first play Scheufele took the ball right up the middle for a sixty-two yard touchdown run. After being hampered by several penalties, Natick finally saw Jerry Hall carry the ball over and then add the extra point. After the kickoff Dave Morgan intercepted a jump pass and ran it back from the nineteen for a touchdown. Again Framingham got the ball. An interference call gave them the edge on the twenty-eight. A plunge by Wall followed by an added point-after by Bernie Kilroy had the crowd on its feet.

Framingham took the kick off and went to the air only to have Bruce Peters intercept on the forty-four. Wall then carried fifty-six yards to score and added the extra point himself. Natick had done it again 39-7. They were undefeated Bay State League Champions, and they had their fiftieth win for Coach Hoague.

During the season Natick outscored their opponents and Jerry Hall had set a new individual scoring record. To Dean Webb, captain elect for 1958, and the members of the team he will be leading, the best of luck and keep up the Natick tradition.

## INDOOR TRACK

This year's young but enthusiastic team lead by Captain Vincent Arminio opened the season with a surprising victory over Needham in our Armory. Over 150 spectators watched the meet go to the last event, the relay, with Art Fahey, Brad Leavitt, Porter, and "Scoop" Jones winning in record time. Score was 43-33.

In the first dual meet of the "Met" League Natick defeated Cambridge Latin 48-29. First places in the 300, won by Vin Culcasi, high hurdles by Lear Levin, 600 by Jones, high jump by Jim Kinnealy and Tim Anderson were recorded. The next week Natick surprised the Class B outdoor state champions, Belmont, by winning 42-34. First places by Levin, Santamaria, Jones, and Kennealy added luster to a fine team effort. Under par physically and mentally because of the College Boards that morning, Natick was soundly beaten by an excellent North Quincy team 48-28. Only Natick High victories went to Tim Anderson in "1000", Santamaria in the mile and Levin in the "shot".

The following week in the B.A.A. "all-comers" meet a

small Natick squad failed to score a point in the severe competition. Against Wellesley Natick won every event except the dash, scoring 66-16. Three N.H.S. trackmen scored in the Class B State Championships at the Boston Garden. Hallett Jones ran 1:20.5 for fifth in the "600", Lear Levin ran well to place fourth in the 45 yd. high hurdles. James Santamaria, freshman, became the first ninth grader to earn a medal in the state competition and the first ever to break five minute mile (4:56.9). Coach Lucas was pleased with his boys' performances against undefeated state champions, Watertown, as his team went down to defeat 49-29. Culcasi, Kennealy, and Levin won first places. In the last meet of the year Natick locked with Arlington in a furious contest which saw the latter win the last events 41-36. Boys like Goldrick, Porter, Carroll, Bartley, Mingace, Barnicle, Clifford all performed admirably.

## VARSITY BASKETBALL

With the addition of Braintree in the Bay State League, Natick played a sixteen game league schedule. Like last year's great team, this year's team won fourteen league games. The only set-backs were by Norwood, who stopped our winning streak at 25, and Framingham in a close, dramatic game in which we saw everything that could happen in a traditional Natick-Framingham battle. We were in contention for the championship right down to the finish, but we had to settle for second place, although two notches higher than the "experts" had predicted. This team will rate with the team before it. Though we were not even considered to get by the quarter finals in the Tech Tourney, we came from behind in the Winthrop game to enter the semi-finals. We came from behind again in the semi-final, winning on a last second basket and entering the state final against Belmont for the second year in a row. Belmont, being bigger and more experienced, was full of revenge remembering last year's beating at the hands of Natick. However, they were not briefed on the Natick spirit, though they out-played us in the first half. Natick out-played

them in the second half, but Belmont won the title on the free throw line, even though both teams had 24 field goals.

This team will surely go down as one of Natick's great basketball teams. With only one starter returning, our Co-Captain Dave Morgan, most valuable player who led the Bay State League in the rebounds, and Co-Captain Clayton Cox, a fine all-around player, a fine team was developed. Richard Wells, a junior, played an outstanding game all season, as did Alan Loane, who was a great ball handler and whose midcourt set shots gave crowds their thrills; senior, John Bouzan was injured at the end of the season, but a consistent rebounder and scorer. He will be remembered for his winning lay-up in the semi-final game of the Tech Tourney; Wilbur Barry will be remembered as the spark that ignited many a fire, Bruce Carter and John Hassard, with Boyd Walser gave the team a strong bench.

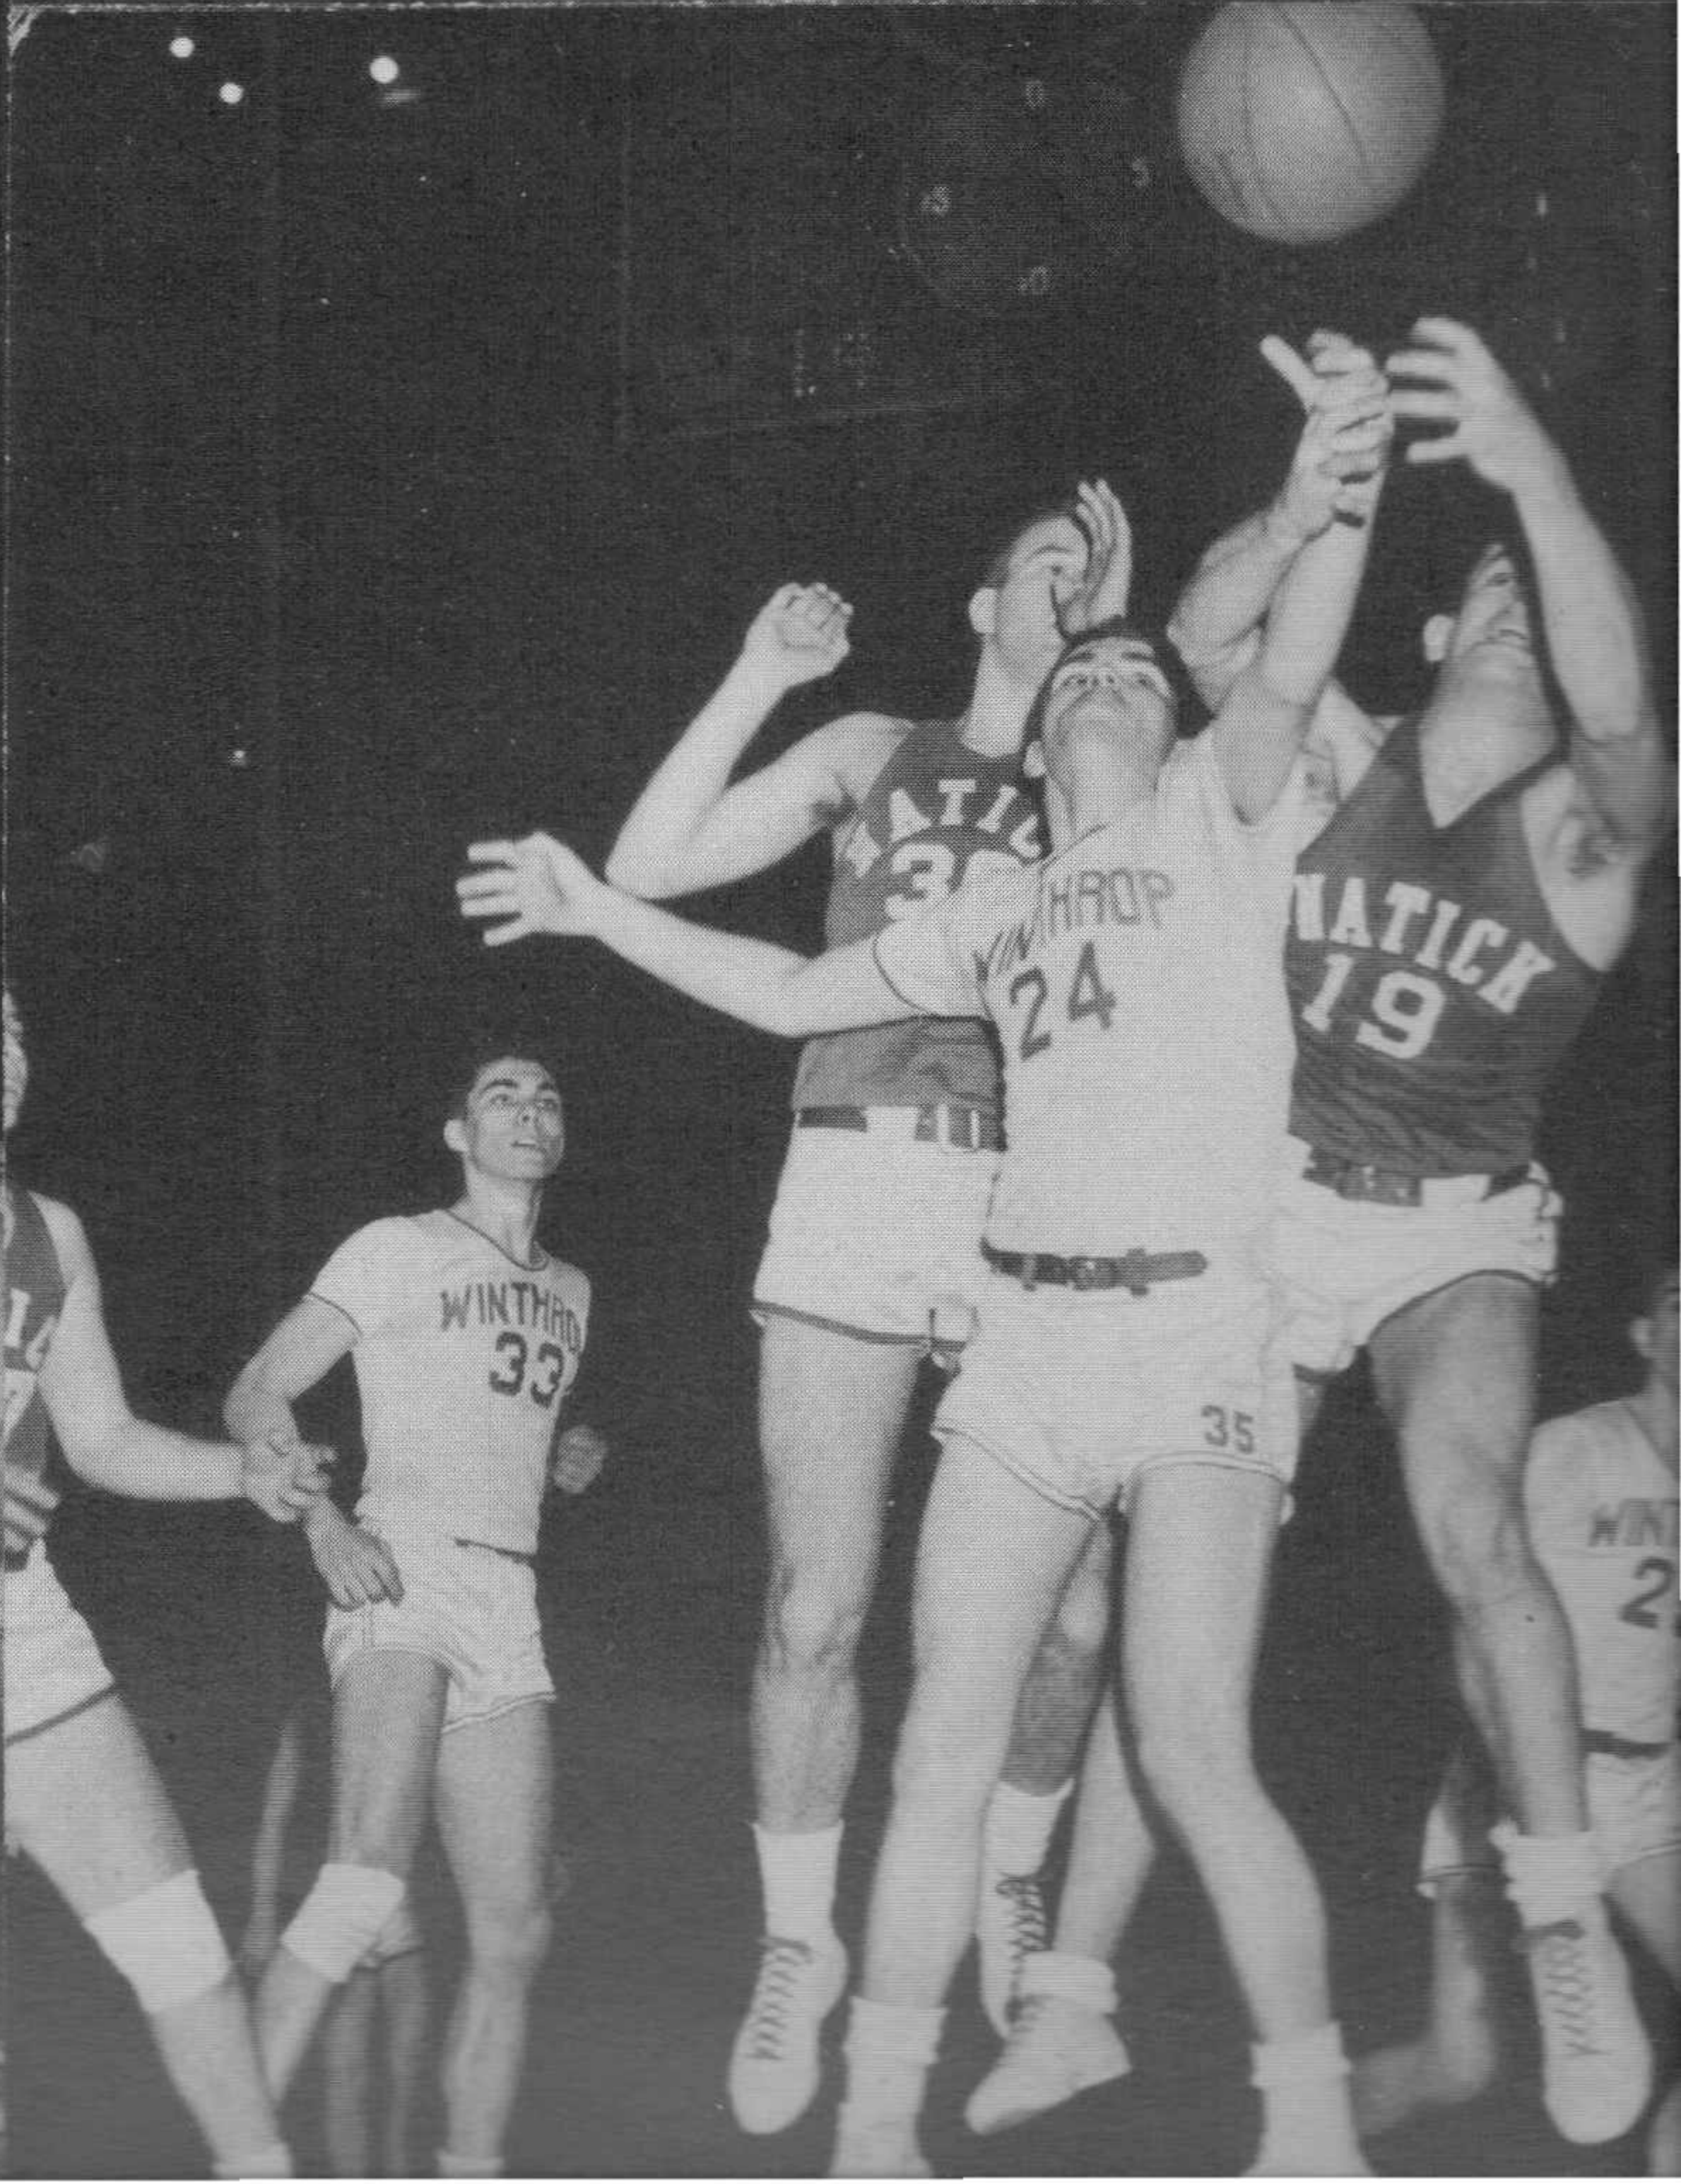

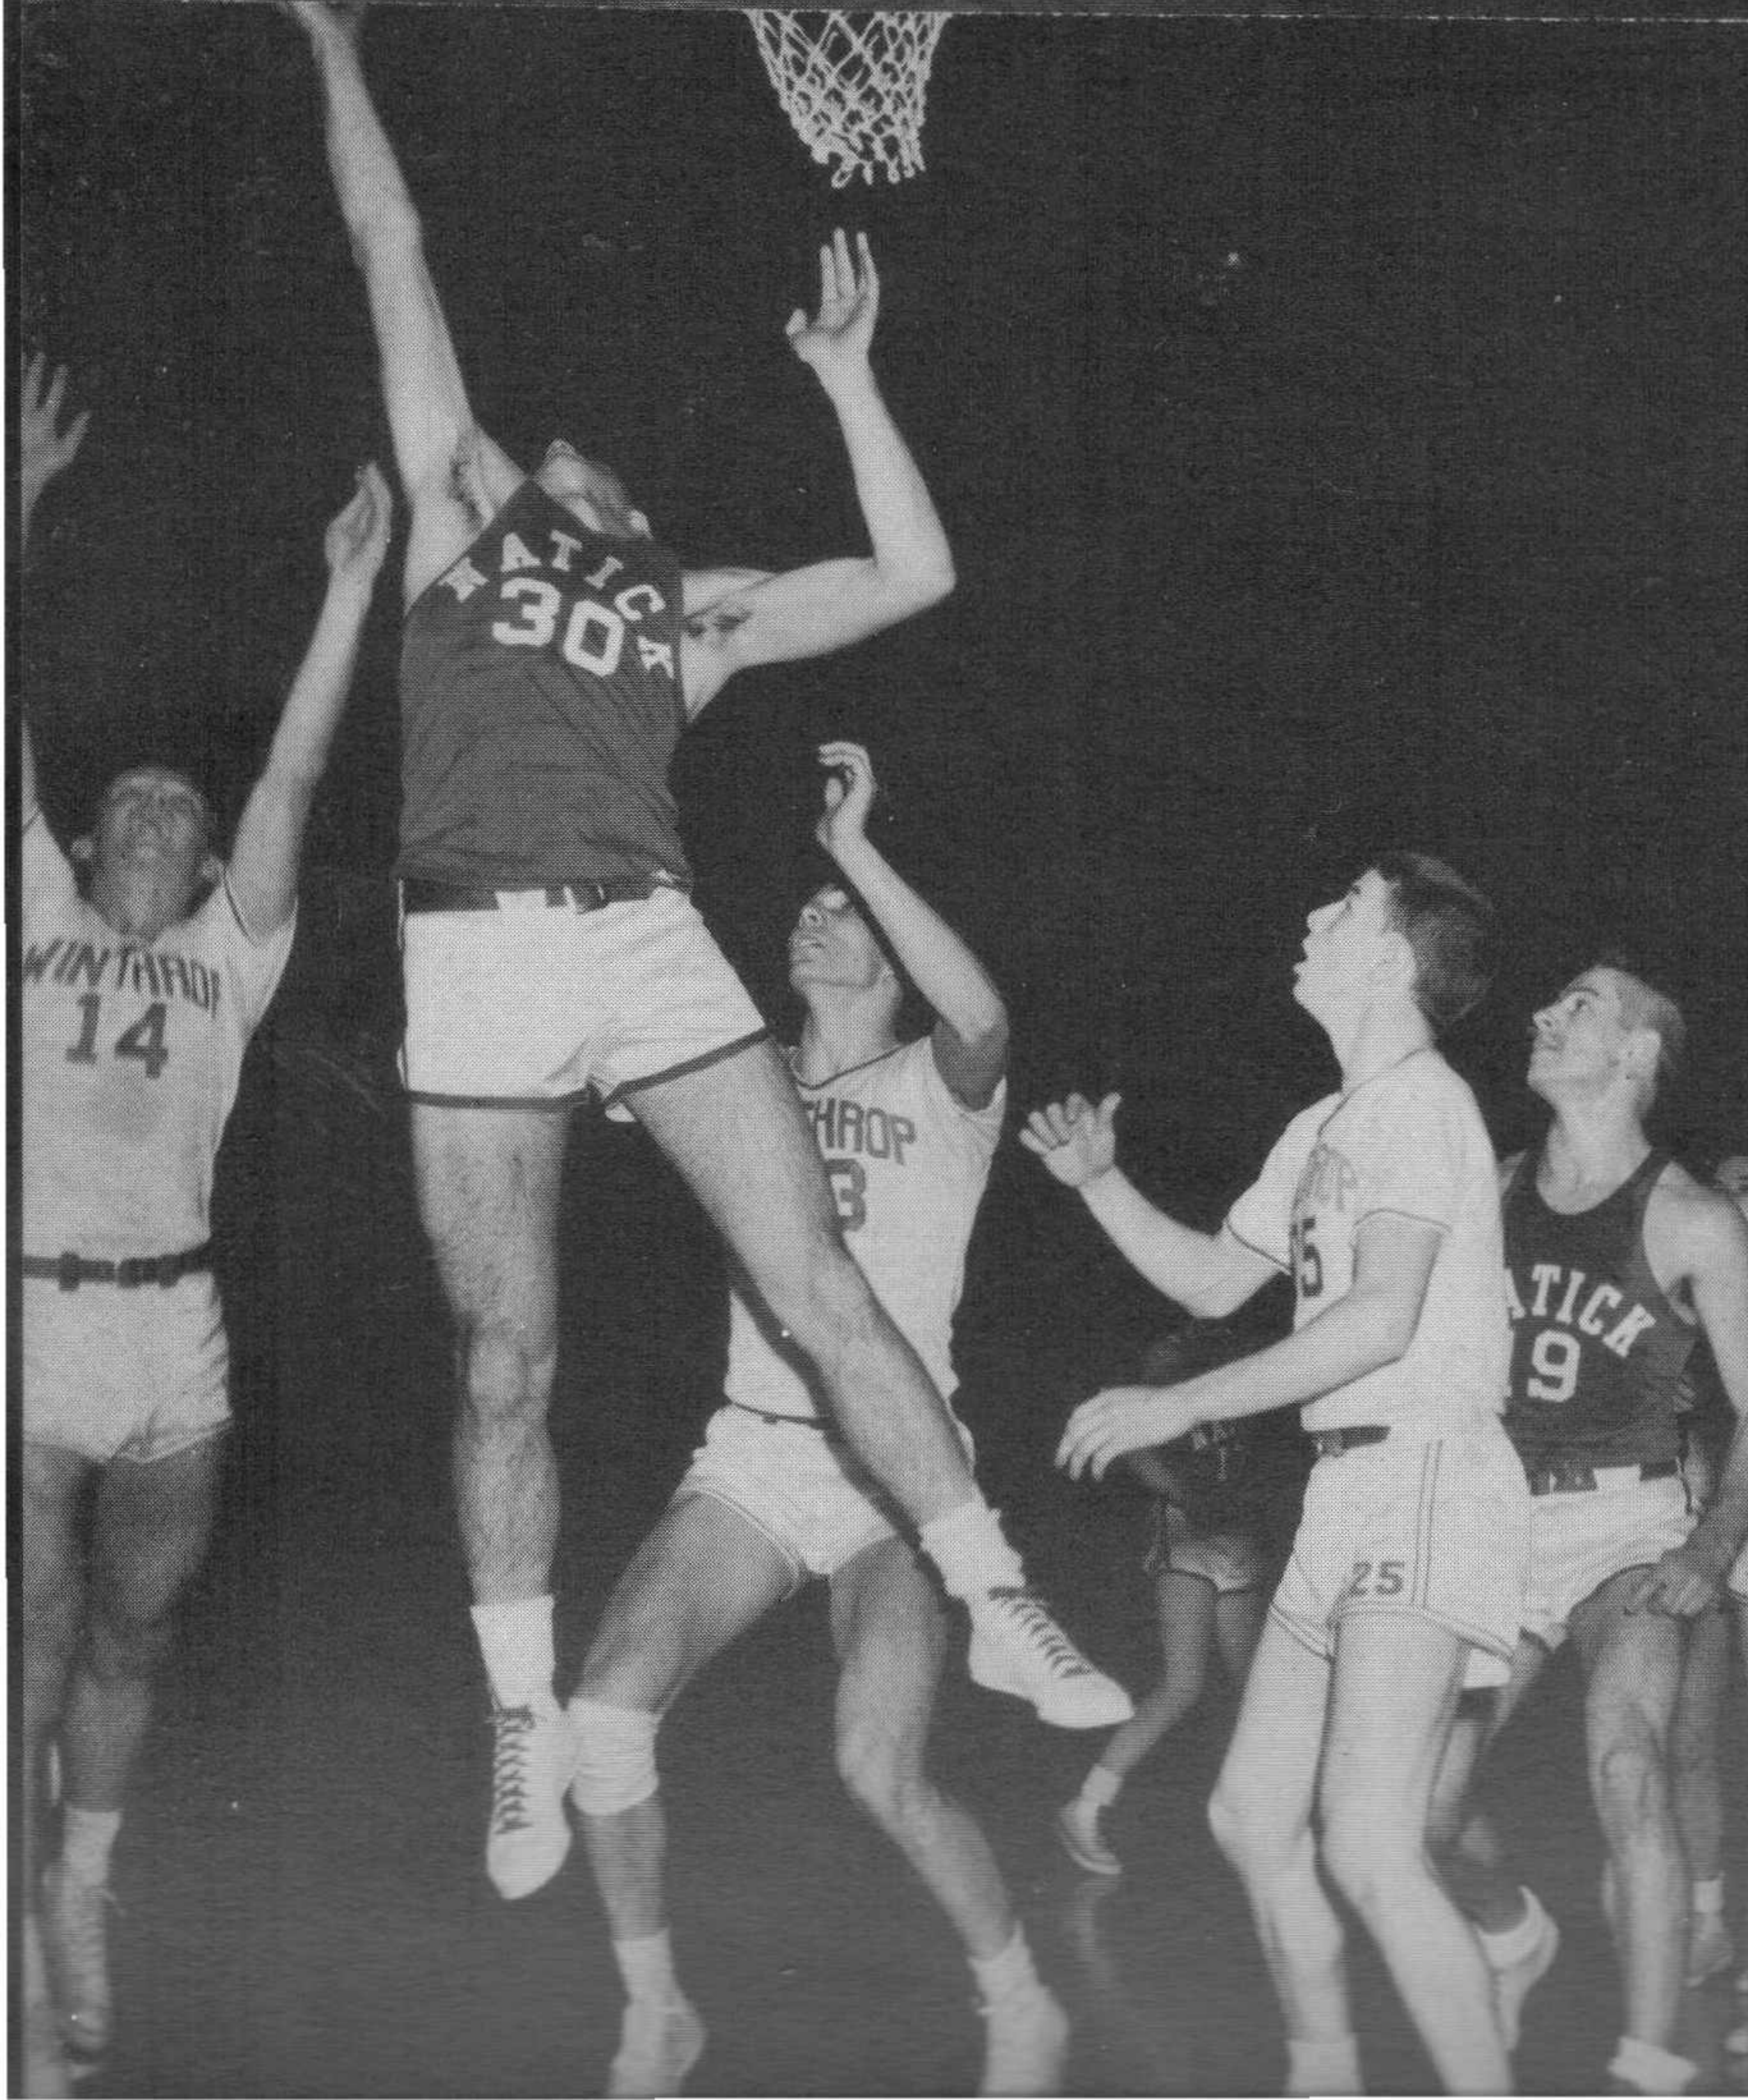

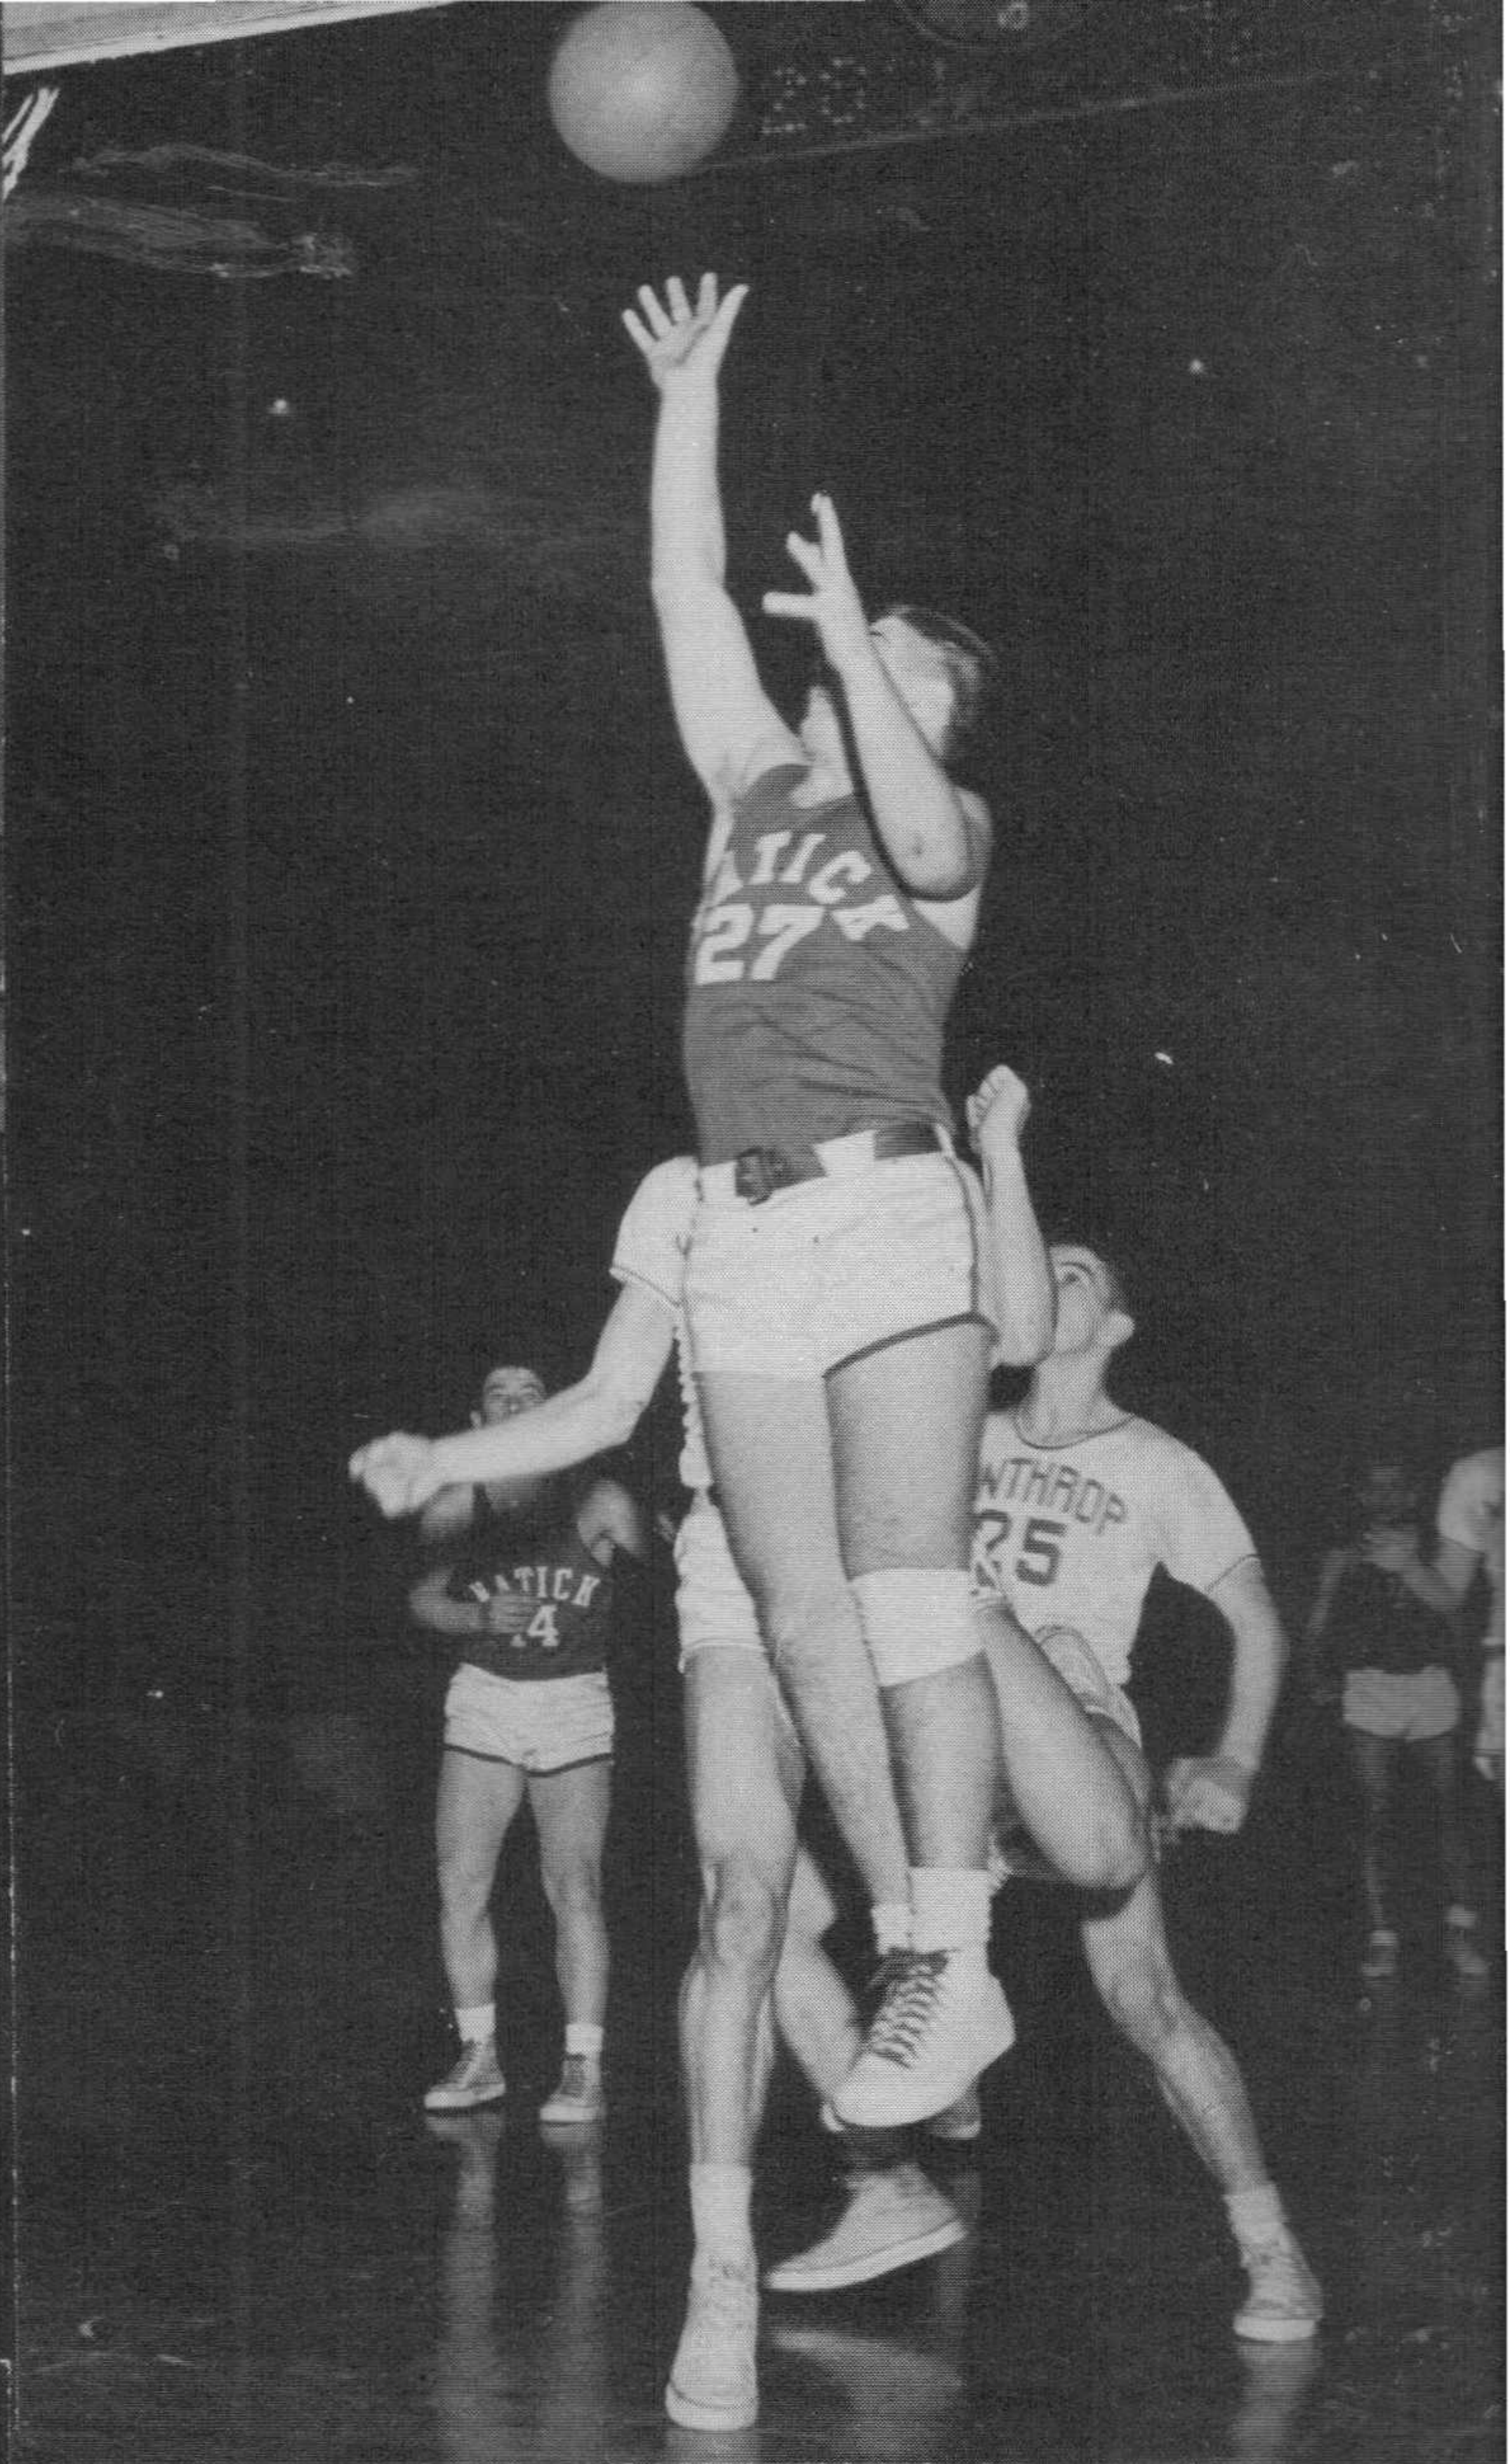

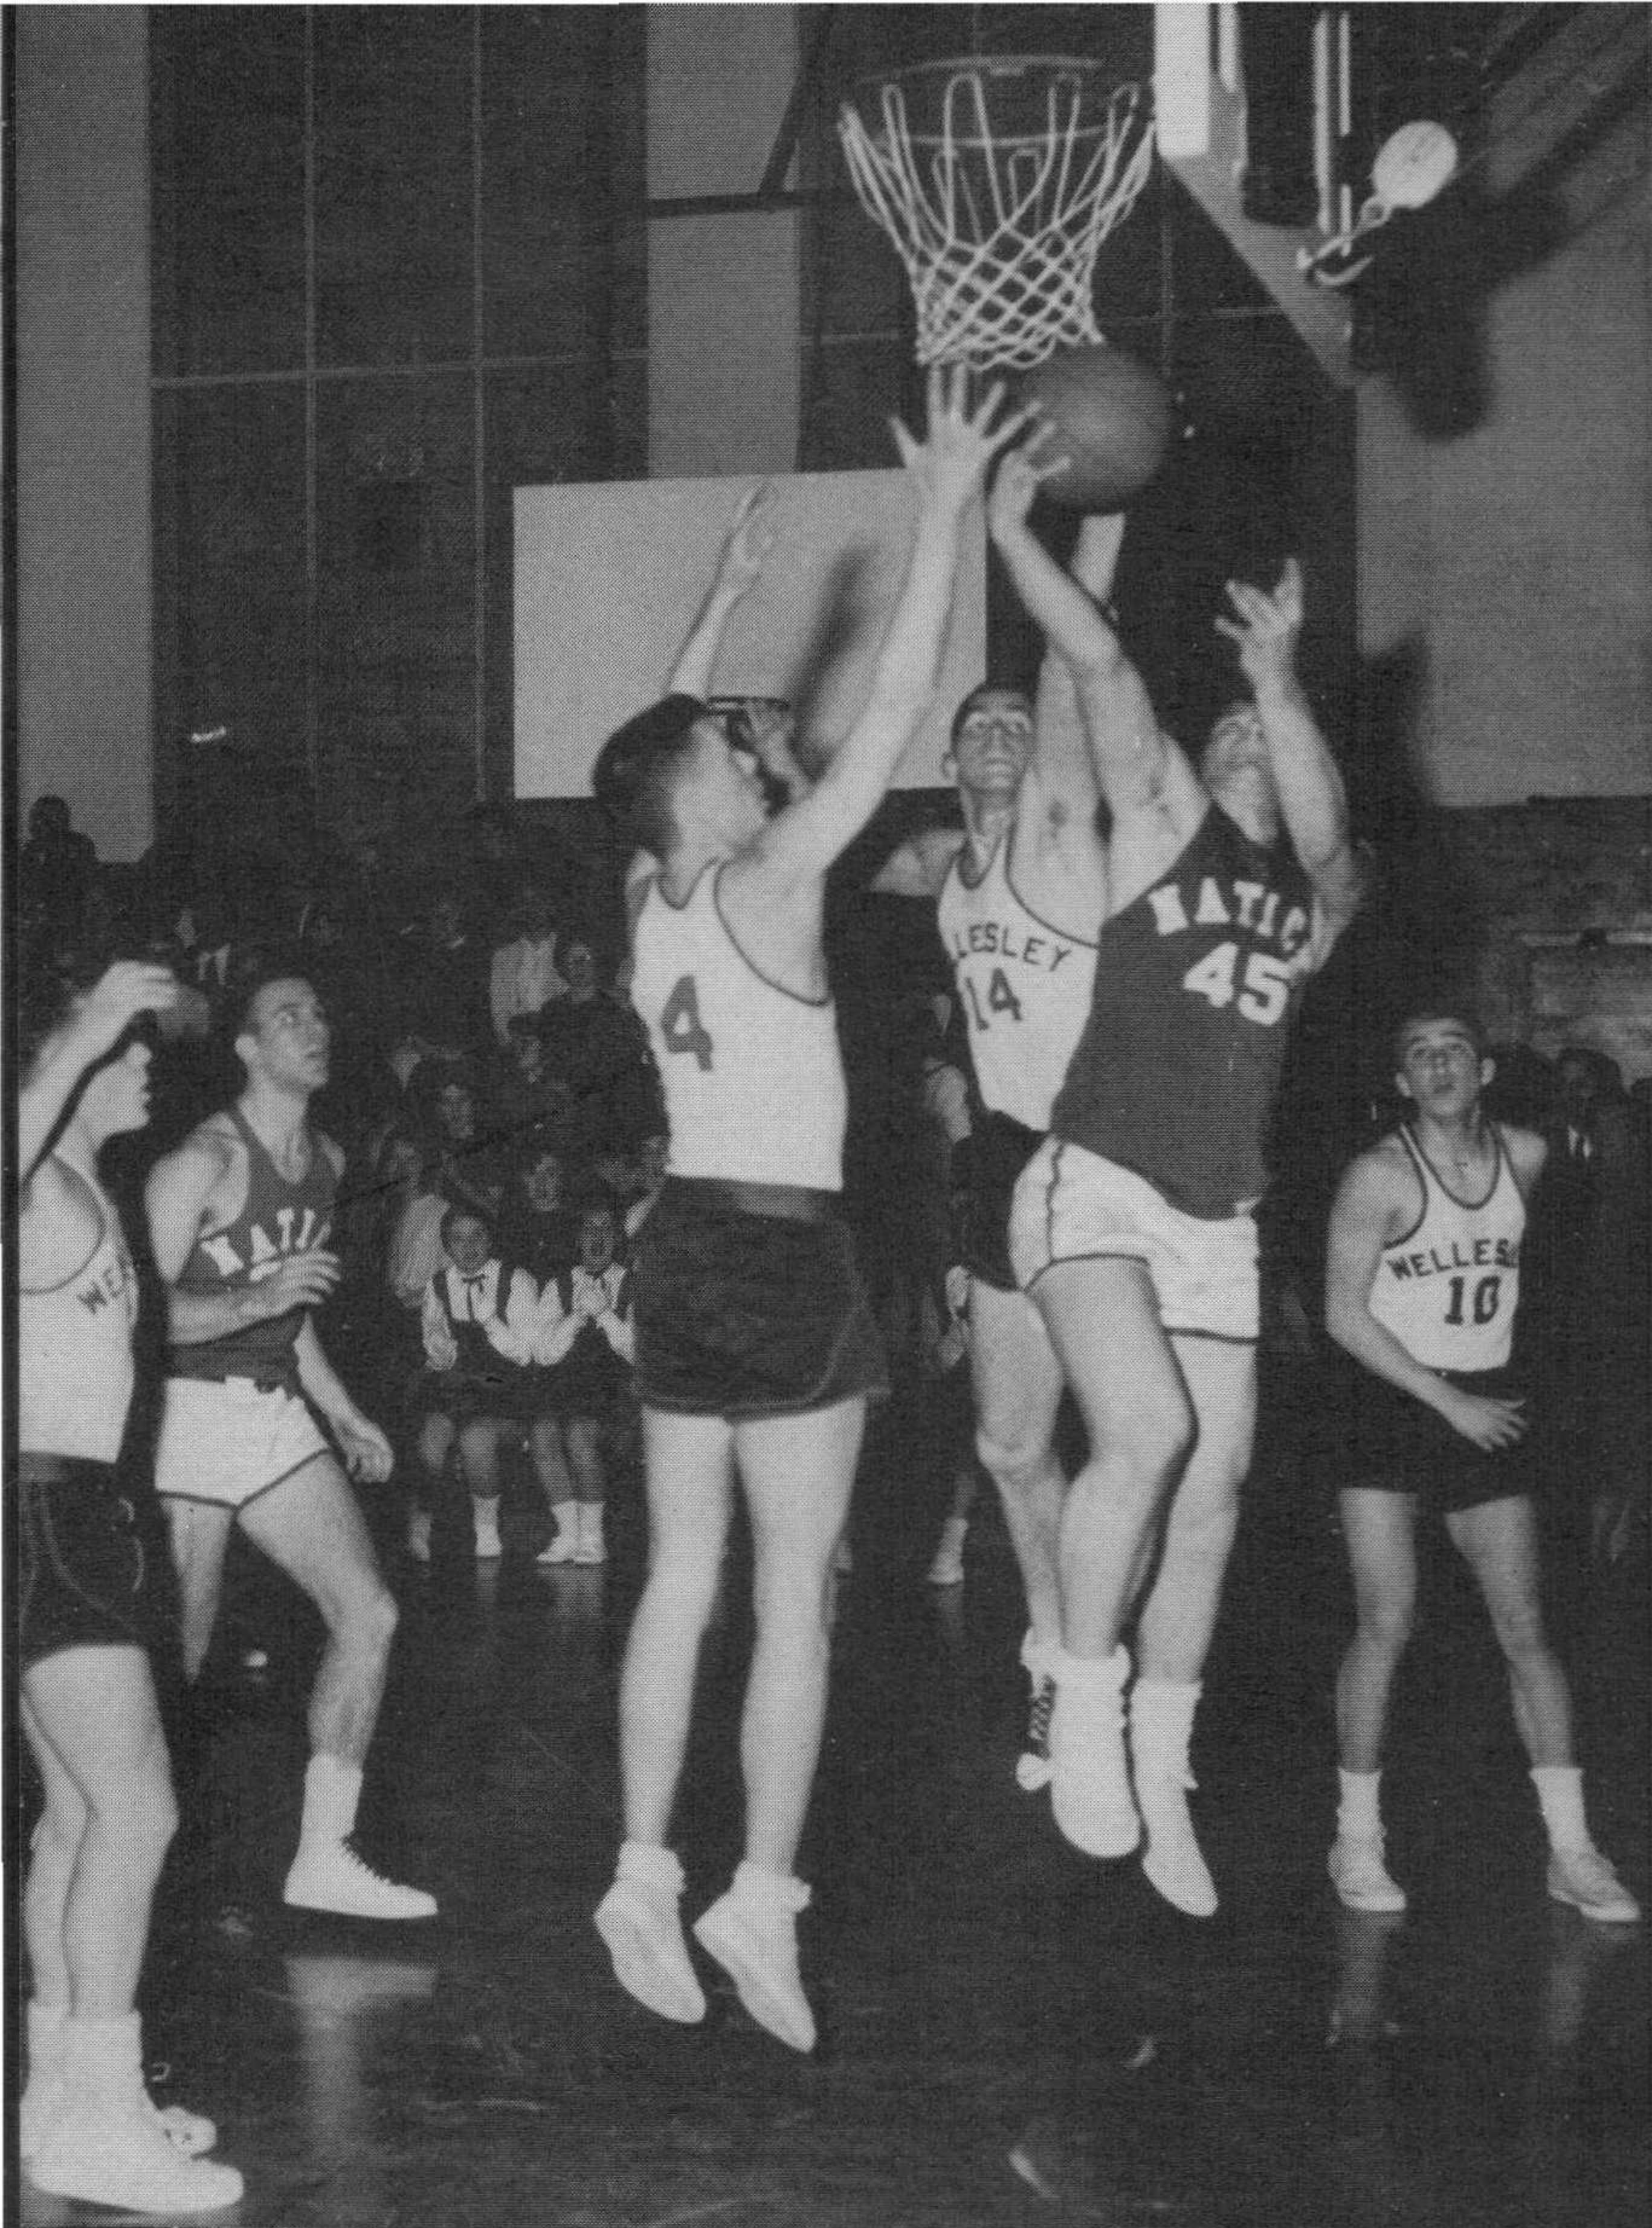

With another undefeated JV squad and assistance from Alan Loane and Richard Wells, Natick should continue a fine record under the direction of Coach Carey.

## HOCKEY

The 1957-58 Natick High School Hockey Team will be remembered as one of the finest sextets ever produced at N.H.S. Led by Captain Ronald Chisholm, and coached by Bob Bell, Natick won the Esmass League Championship, the first Esmass League Crown won by Natick in several years.

The line of Paul Casey, Bill Flynn, and Dan McGee was one of the top scoring combines in the state, while Paul Hughes, Pete Bell, and Vito Capizzo gave the team a second line that was good enough to be interchangeable with the first line. On defense were Art Williams, Dean Webb, and Jerry Hall with Ron Chisholm in the nets. This combination established Natick as the best defensive unit in the league.

The high spot of the season was when Natick came back in the playoffs to defeat Malden Catholic. The win avenged the only Natick loss of the regular season.

Natick entered the State Championships as one of the

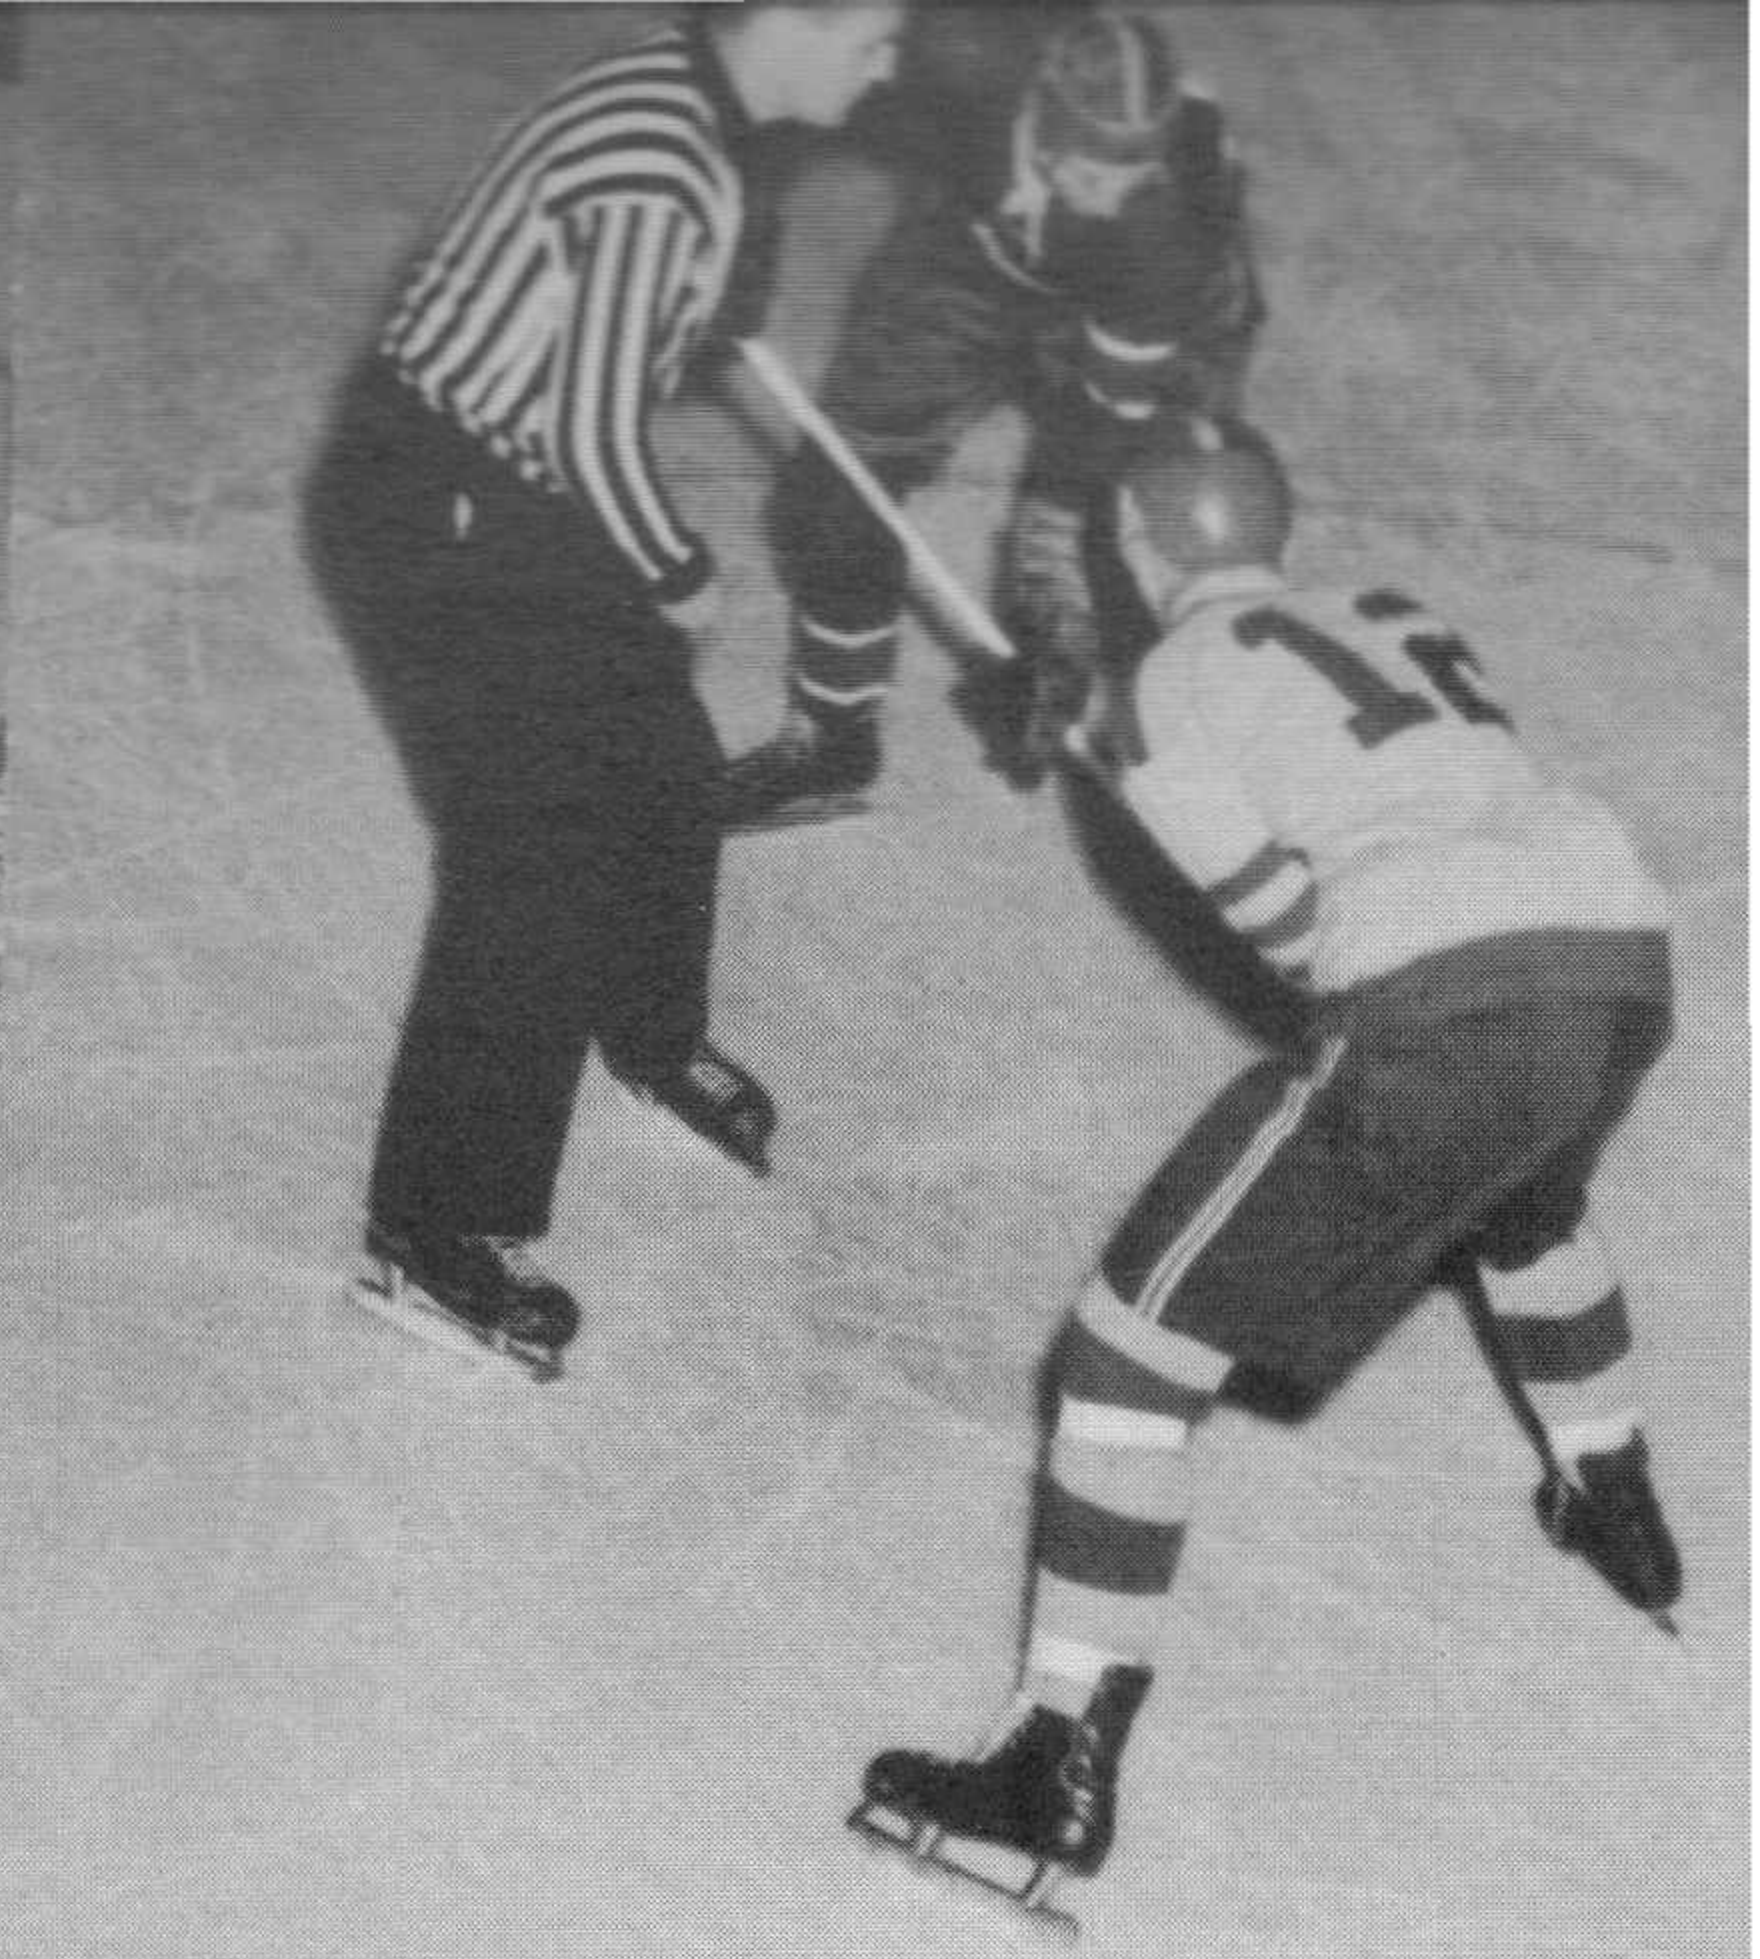

favorites. In the first game Bob Bell's boys displayed great power, after a rocky start, in defeating Boston College High 7-3. In the quarter-final game Natick was beaten by Cambridge Latin, the eventual State Champions. The score was 2-1.

Natick was represented in the Esmass All-star Team by Bill Flynn, Paul Casey, Paul Hughes, Art Williams and Ron Chisholm. Chisholm was chosen by the Boston sports-writers as the number one goalie in Massachusetts. Bill Flynn was also named to the third team as a left wing.

At the awards assembly Ron Chisholm was presented the Ralph H. Howard Memorial Trophy as the most valuable hockey player.

The entire squad saw ample action during the season. Tom King, Fred Callahan, Ron Curtis, George Mabardy, John Calzini, Jon Gilbert, Bob Linton, Micke Bruni, and Doug Woodbury completed the varsity squad. Each was an important member of this championship team.

# BASEBALL

The Natick High Baseball Team, led by Captain Jack Hassard, finished their very successful season winning fourteen and losing five. Among the five defeats were two to Framingham, one each to Norwood and Wellesley in the regular season, and one to Durfee in the State Tournament.

Coach Eddie Casey had high hopes for his team as they romped through Dedham 9-1, a strong Wellesley team 2-1, and Walpole 17-0. After a defeat by Framingham 9-7, his hopes dropped. With the team in low spirits after that game, Norwood beat them 5-3. The team then regained its stride and beat Milton 16-0, Braintree 10-1, Dedham 4-2, and Needham 3-2. Wellesley then popped back to defeat us in a twelve inning pitching duel between Bernie Kilroy and Kline of Wellesley, 2-1. Framingham, taking advantage of our lowly spirits beat us 5-2. After running over a weak Walpole team 7-0, we faced a very powerful Norwood nine for the second time. It was a tight game down to the last of the ninth when Kilroy came through with his big bat to smash a three-run double, winning us the game 5-4. Then we beat Milton 2-1 and Braintree 18-8. With the Needham game rained out, the tight race for the league championship was suspenseful. In a two-way tie for second at the time, Natick and Norwood met for a third contest at Brandeis University for a play-off to decide who would enter the State Tournament. Natick won 9-6, entering the Tournament only to be defeated by a strong Durfee team 2-0. Finally defeating Needham 13-0, we ended in a two-way tie with Framingham for the Bay State League championship. Natick won the championship game becoming the champions in the Bay State League.

The big guns for Natick were John Bouzan and Bernie Kilroy, the two leading pitchers. The first team was composed of Carter, Hassard, Morgan, and Kilroy, seniors, with Wells and Loane, juniors, and Amoroso, sophomore, and Hriniak the first starting freshman ever to make the varsity. These boys were assisted by Williams, Michaels, Culcasi, and Peterson, seniors; Callahan, Donovan, Jones, Wall Stevens, and Barnicle, underclassmen. McCassey and Dowst did a fine job as managers.

## TENNIS

The tennis team this year had a very successful season. The record was five wins and three defeats, to finish fourth in the league.

Interest in tennis at N.H.S. has risen since the installation of fine courts. There were thirty-three men out this year as against seven in 1956.

The top players for the 1958 season were: Co-captains James Bradford and Wendell Morgan, Joseph Vay, David Brown, Albert Butler, Fred Meyres, Frank Hess, Thomas Calloway, Richard George, and Slade Walter.

The league teams are Framingham, Braintree, and Walpole. The return of several veterans, with a few greatly improved sophomores and freshmen will make it interesting next year. Tennis in Natick promises to be a major sport before too long.

## *GIRLS' BASKETBALL*

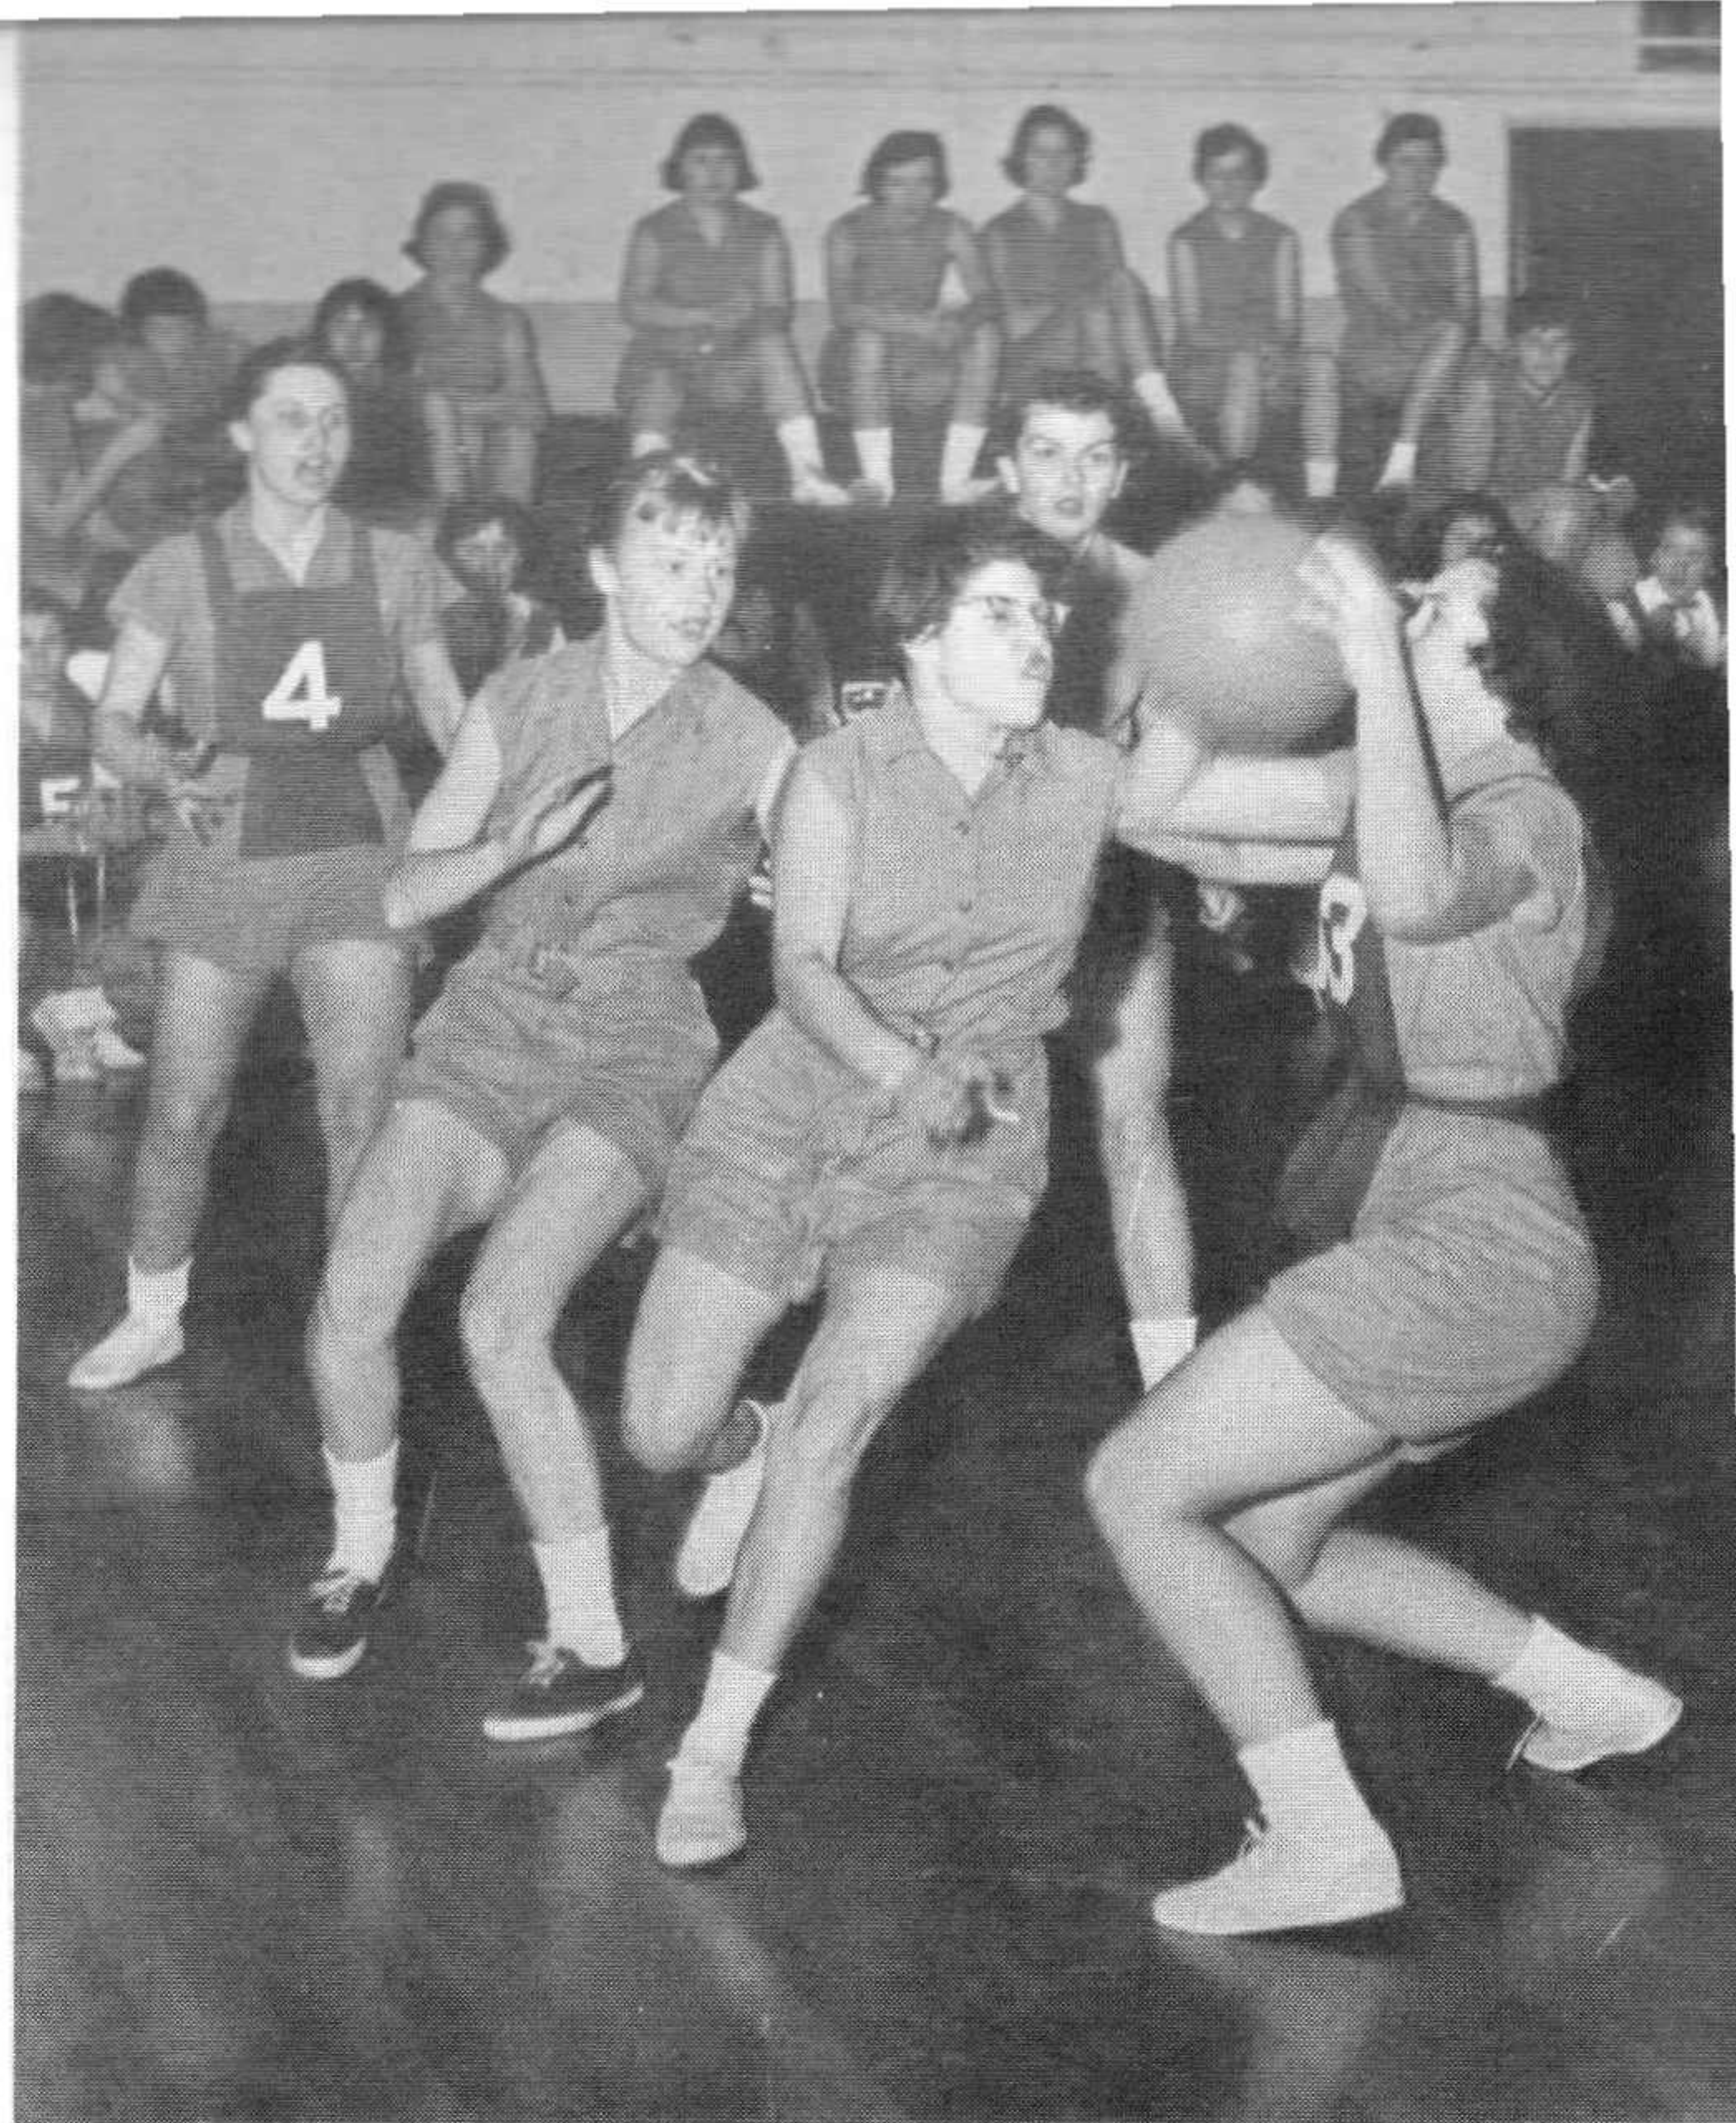

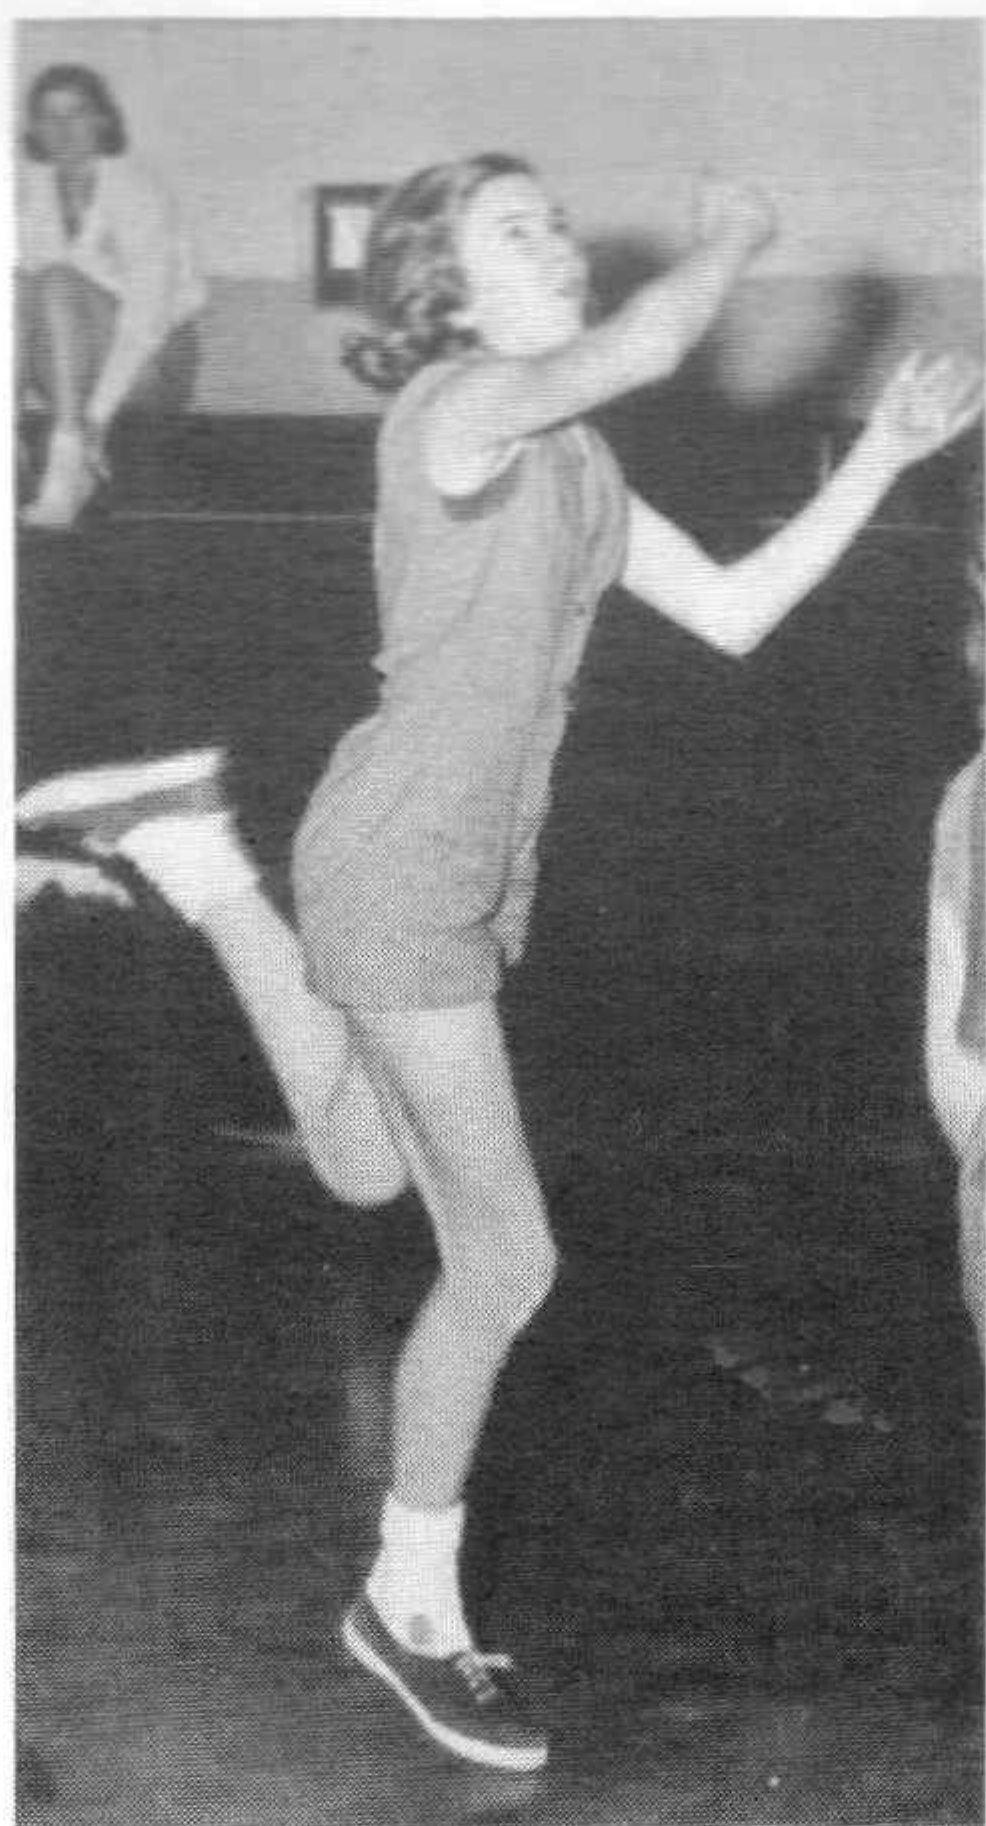

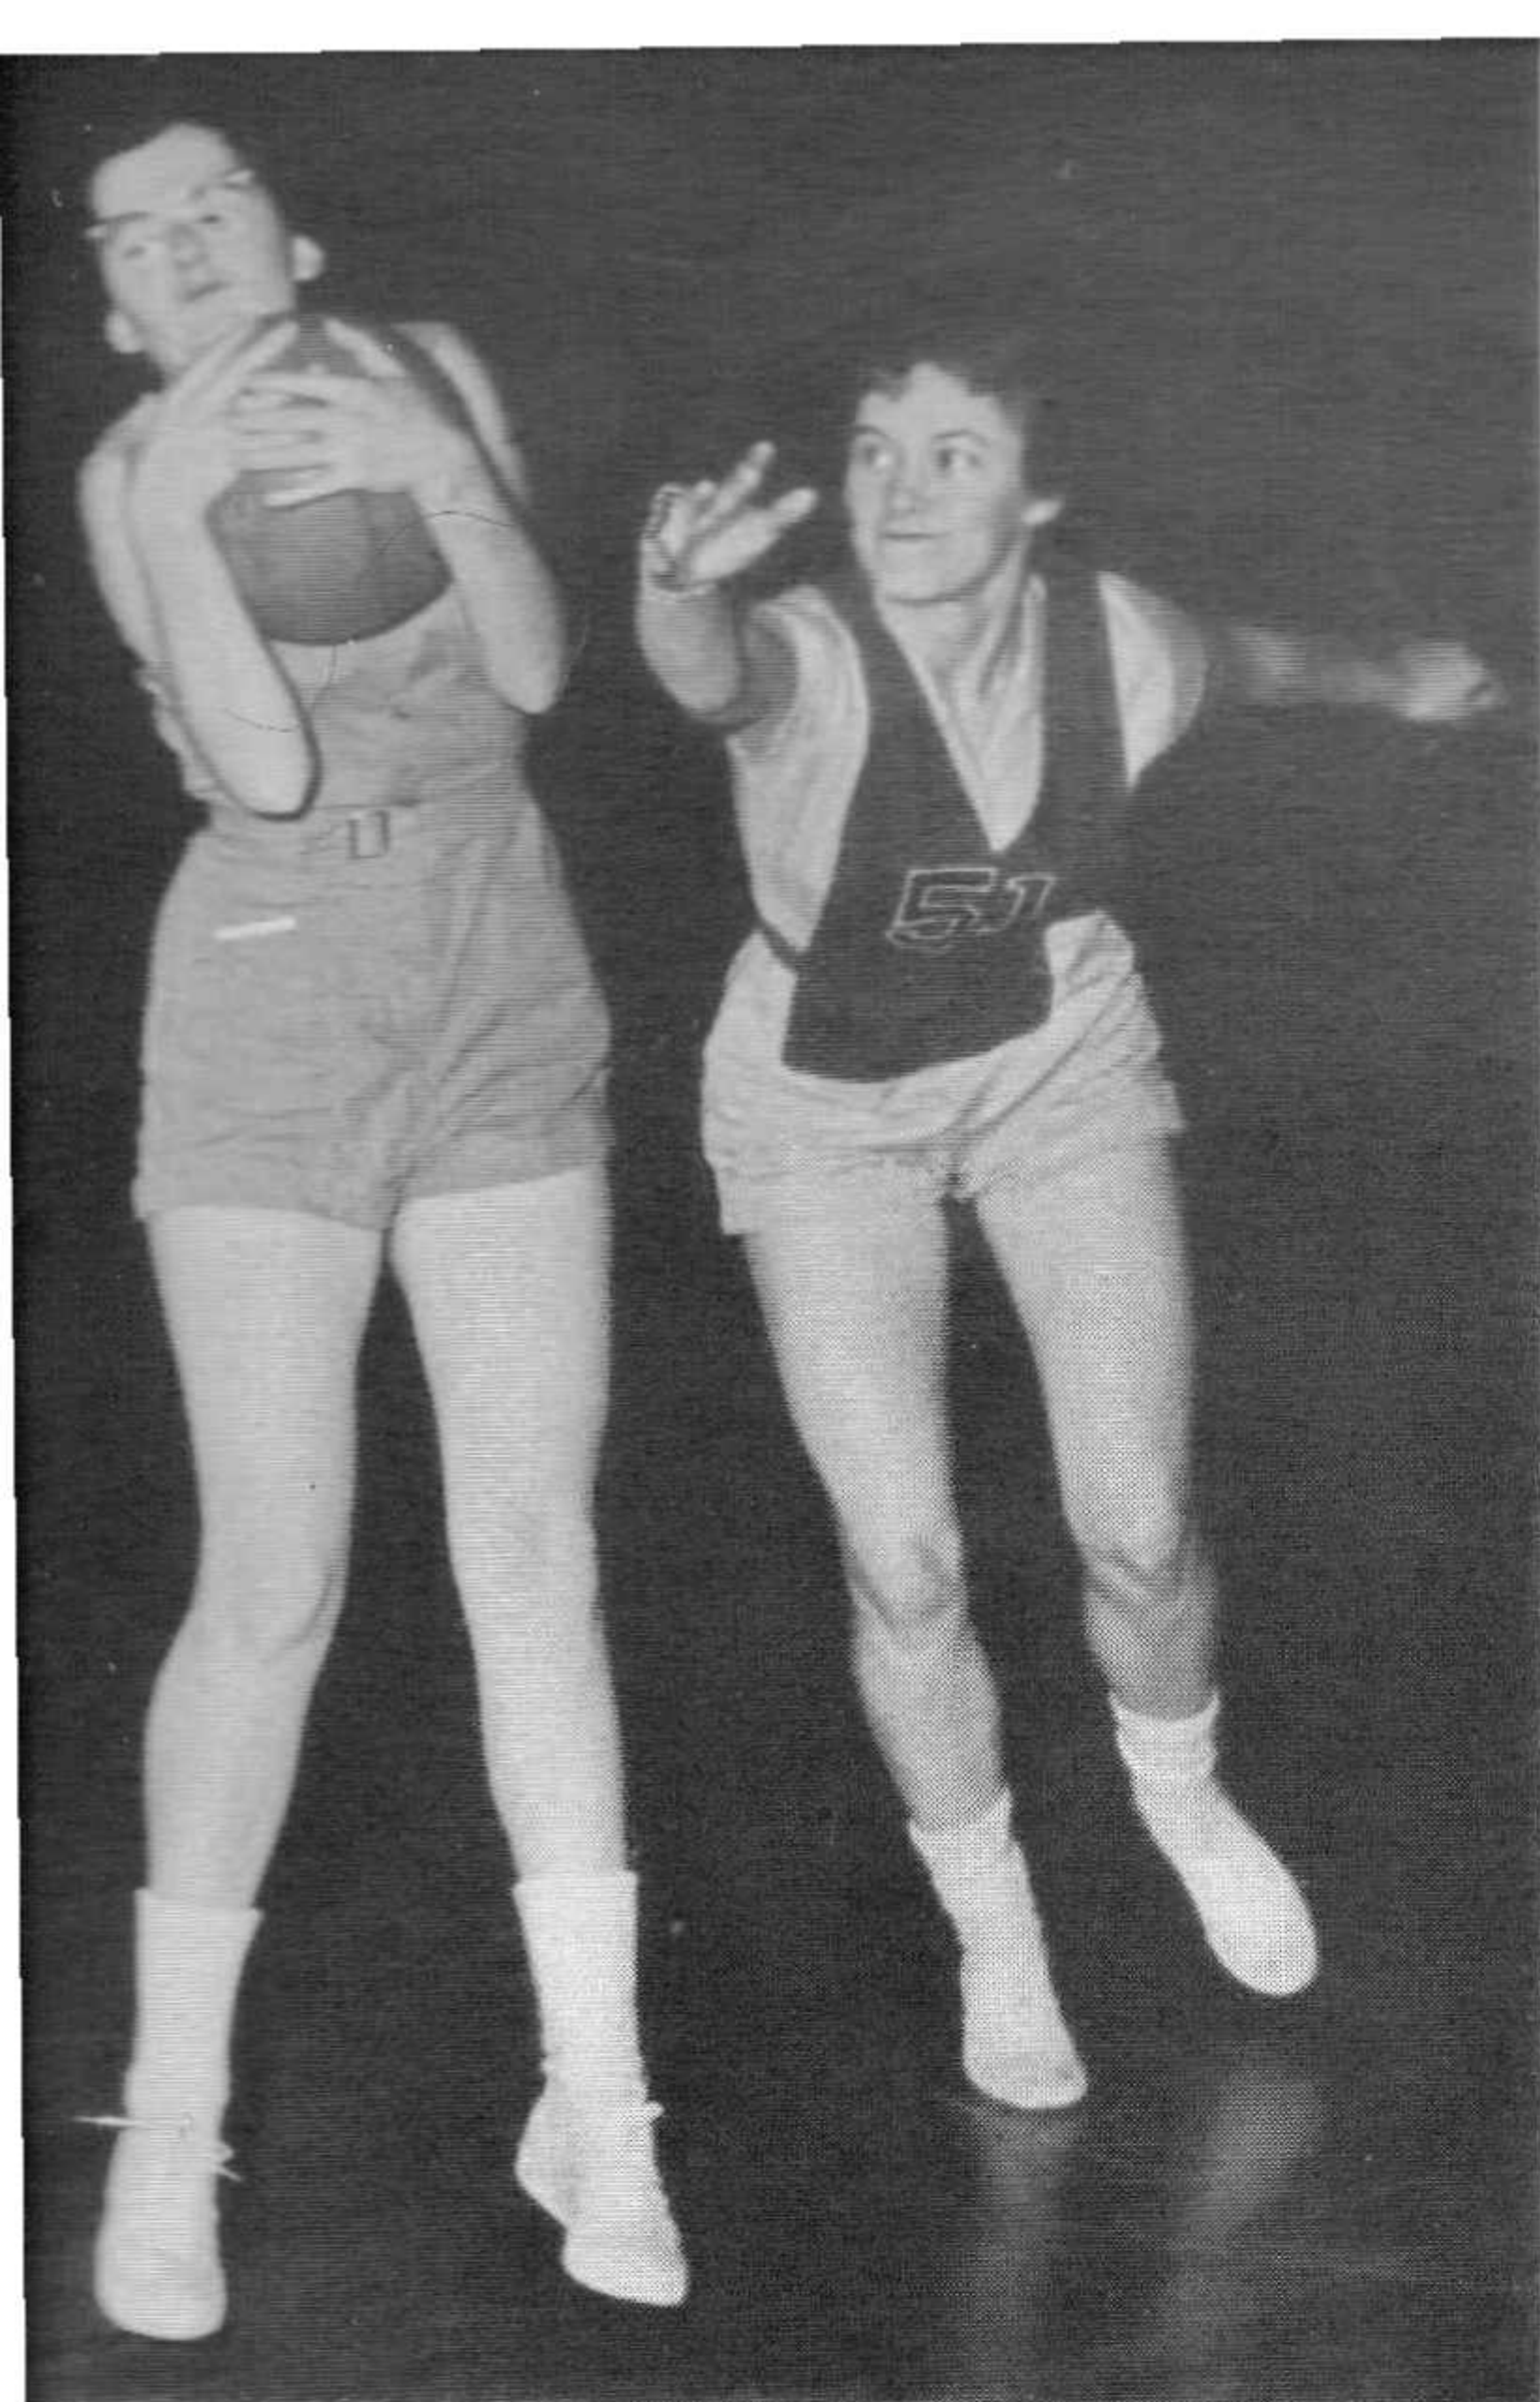

Considering the fact that this was the first year Natick High has had a varsity basketball team, we had a fairly successful season. Much of this success was due to the efforts of Maxine Gray, a sophomore, who was the season's high scorer and a definite asset to the team.

Our most exciting game was played at Needham. At the conclusion of the game the score was tied 35-35, so it was decided to play a ten-minute overtime. One of the Needham players scored on a foul shot, but with only seven seconds to go Natick came from behind to score.

The team wishes to express appreciation to Miss Tillson and Miss Mussmacher for their understanding, long hours, and the confidence they have given us.
